

DAVID M. ROHR

Address: Department of Earth & Physical Sciences, Box C-147
Sul Ross State University, 400 N. Harrison St.
Alpine, Texas 79832

Phone: 432 837 8167 (office) or 432 837 3790 (home). E-mail: drohr@sulross.edu

Born: 9 September 1947, Portsmouth, Virginia

Military service: Honorable discharge, Captain, US Army Reserve, 1977.

Education:

College of William and Mary, B.S. Geology, 1969.

Indiana University Geology Field Camp, summer, 1969.

Oregon State University, M.S. Geology, 1972. Advisor: A.J. Boucot.

Oregon State University, PhD, Geology, 1977. Advisor: A.J. Boucot.

Specialties:

Taxonomy, biogeography and biostratigraphy of Lower Paleozoic gastropods; paleoecology; and carbonate depositional environments and stratigraphy.

Experience:

Professor of Geology, Sul Ross State University; *Department Chair*, 1992-2002, 2006-present. *Associate Professor*, 1985-1989; *Assistant Professor*, 1980-1985; teaching Physical Geology, Historical Geology, Geology of West Texas, Dinosaurs, Oceanography, Paleontology, Stratigraphy, Sedimentation, Sedimentary Petrology, Carbonate Petrology, Stratigraphic Analysis, and Paleocology.

Visiting Assistant Professor, University of Washington, 1979-80.

Visiting Assistant Professor, University of Oregon, summer sessions, 1977-84, teaching Field Camp in southern and northeastern Oregon.

Visiting Assistant Professor, University of Oregon, 1977-79.

Research Assistant to A.J. Boucot, Oregon State University, 1973-77, Silurian paleoecology project.

Six summers of field mapping in sedimentary and igneous rocks of the Klamath Mountains, California 1970-75.

Grants received:

National Geographic Society, field work in Newfoundland and Alaska. 1992-2006

Eisenhower Grant for short course for earth science teachers, 1993

Geological Society of America Penrose Grants, 1971, 1972, and 1973.

National Science Foundation Summer Grants, 1981, 1983, 1985-87.

American Chemical Society, Petroleum Research Fund, 1982, 1984, 1990.

National Science Foundation Equipment Grant, 1984.

Memberships:

Geological Society of America (Fellow), Geological Association of Canada (Fellow), Paleontological Society (Chair South-Central Section, 2002), West Texas Geological Society.

Recent Publications: See attached.

- Rohr, D. M., R. B. Blodgett, Santucci, V. and L Slavik, (submitted) Shallow and deep water origins of Silurian rocks at Glacier Bay, Alaska. Alaska Park Science.
- Blodgett, R.B., Boucot, A.J., Baranov, V.V. & Rohr, D.M. In Press 2012. *Sapelnikoviella santucci*, a new gypidulinid brachiopod genus and species from the Upper Silurian of Glacier Bay National Park & Preserve, Southeast Alaska. *Memoirs of the Association of Australasian Palaeontologists*, 40.
