Description: Geography 4301 will include both a systematic and regional analysis of various world regions.

Attendance: Will be taken at the beginning of each class period, and an absence of more than nine class hours will be considered as a factor in determining borderline term grades.

Grading: Your term grade will be based on three tests and a final exam. The final exam will be based on material covered since the third test.

Report: No term paper will be required.

Schedule: Each test will be based on the material covered in three to four chapters. The final exam is not comprehensive.

Final exam – Thursday, December 11, 2014
