Attendance for this class must be considered a priority. **Students must attend each session.** Missed classes must be made up at the instructor's convenience. **Phones:** Please let everyone know you are attending class during this time each week, turn off your phones, and give yourself the freedom to address your full attention to this course.

*State curriculum:* Students are exposed to the current orientation of Texas public school education, with introductions into teacher supervision, curriculum development, professional development, organizational management, communication, and community involvement.

*Fees:* Because this is a state certification course, ESC Region 13 requires a \$75 fee to process your ILD certificate. This certificate is required before you take the PDAS instruction. Checks or money orders should be made out to "ESC Region 13" (not to your instructor, who would cash them and spend them frivolously); these will not be submitted until August.
