Course Policies:**1. Attendance and Class Preparation:**

Class attendance is governed by the SRSU policy stated in the schedule of classes. Students will be dropped with an “F” when you have accumulated six absences. You are expected to have completed the assigned readings by the beginning of the first class day for which they are assigned. See details in below section regarding students with excused absences.

2. Late Work and Make-Up Assignments:

If you need to be out of class for an emergency, excused-absence, or university-authorized absence, inform me of the situation as soon as possible. Late or make-up assignments will only be allowed in the case of an emergency or excused absence with appropriate documentation (doctor’s note, etc.)

Any student who is absent from classes for a university-authorized absence (such as a game, tournament, or event) will be allowed to take an exam or complete an assignment scheduled for that day. **However, arrangements for missing class due to an excused or university-authorized absence must be made with the instructor BEFORE the absence.** It is your responsibility to speak with me about classes that you will miss well in advance.

3. Students with Special Needs:

Sul Ross State University (SRSU) is committed to equal access in compliance with the Americans with Disabilities Act of 1973. It is SRSU policy to provide reasonable accommodations to students with documented disabilities. It is the Student’s responsibility to initiate a request. **Please contact Ms. Mary Schwartze, Counselor, Accessibility Services Coordinator, Ferguson Hall (Room 112) at 432.837.8363; the mailing address is P.O. Box C-171 Sul**

Ross State University, Alpine, Texas 79832. Students should then contact the instructor as soon as possible to initiate the recommended accommodations.

4. Religious Observance:

Any student who is absent from class for the observance of a religious holy day will be allowed to take an exam or complete an assignment scheduled for that day. Arrangements for missing class due to a religious observance must be made with the instructor prior to that absence.

5. Classroom Respect and Disruptions:

You are encouraged and expected to openly engage in class discussions, ask questions, share ideas, and express your thoughts. Please treat each other with dignity and respect and avoid disruptive behaviors. You are responsible for knowing what behaviors are acceptable versus unacceptable as referred to in the Student Conduct and Discipline section of the SRSU Student Handbook

(http://www.sulross.edu/sites/default/files//sites/default/files/users/docs/stulife/student_conduct_discipline.pdf).

6. Academic Integrity:

Any instance of academic misconduct such as: turning in an identical written assignment for another course without approval, cheating and plagiarizing written assignments, collusion, or misrepresenting facts will be punished to the full extent of the university's disciplinary policy and/or through legal action if indicated. You are responsible for reading the statement on *Academic Honesty* in the SRSU Student Handbook

(http://www.sulross.edu/sites/default/files//sites/default/files/users/docs/stulife/student_conduct_discipline.pdf). The faculty considers academic dishonesty to be a serious matter and will act accordingly. Students caught engaging in any form of academic dishonesty will receive no credit for assignments/exams and more severe penalties may be pursued, including but not limited to failing the course.

7. Technology Policy:

Out of respect for your fellow students, your professor, and the educational process, all technology devices (cell/smart phones, I-pods, tablets, laptops, etc.) must be powered down and put away, not on the desk or in your pocket, or on your lap, during class. Do not come to class if texting, using social media, and attending to tasks other than the class material is more important than being fully present (this is NOT an excused absence). If you feel you have an emergency situation that requires your phone to be on vibrate, please inform me before class begins. Students who disregard the policy will be asked to leave class and will be considered absent that day. If you plan to use a laptop for taking notes, please inform me; this privilege will be rescinded if you misuse it.

8. Communicating with the Professor:

The best way to contact me is through email at bibiana.gutierrez@sulross.edu. I will try to respond as soon as possible. If you do not receive a reply within 24 hours, please resend your email or call my office at 432.837.8163 and leave a message if I am unavailable. During weekends there may be a longer delay in my responding.

COURSE REQUIREMENTS:

- 1. Regular, punctual attendance and participation.**
- 2. Read assignments due before class lecture.**
- 3. Two Quizzes each worth 50 points = one Exam score.**
- 4. Midterm and Final Exams each worth 100 points.**
- 5. Complete of a Reflection Paper worth 100 points.**
- 6. Class participation (being attentive, asking/responding to questions, engaging in discussions, indicating you have read assignments, etc.)**
- 7. If regular attendance qualifies you, up to 10 extra credit points can be used to bump your grade up to the next higher interval.**

GRADES:

90–100 = A; 80 –89 = B; 70–79 = C; 60-69 = D; 0-59 = F

The two Quiz scores will be added together to equal 100 points or equal to one Exam.

The Reflection paper will equal 100 points.

The three Exam scores plus the Reflection Paper will be averaged together to determine your final grade.

Example:

$(\text{Quiz1- 45pts} + \text{Quiz2- 45pts}) + (\text{Midterm Exam-95pts}) + (\text{Final Exam-90pts}) + (\text{Paper-85pts}) = 360/4 = \text{“A”}$

THEORETICAL REFLECTION PAPER INSTRUCTIONS:

There will be one required theoretical paper for the semester. It should be original and thoughtful. Please make certain that it is typewritten. The paper is worth 100 points. The following must be included in your paper:

- 1) Exploration of one theoretical model,
- 2) Explanation of how the model fits you and your life experience,
- 3) Explanation of how the model addresses:
 - a) The change process
 - b) Psychopathology
 - c) Life situations and issues (give an example of an application)
 - d) Individual development
 - e) The fate/hope of the human condition

Your theory paper should have at least eight (8) references other than the text. Use original (first) sources whenever possible. (Use the APA reference manual for format – go to library or writing center for help). The paper should be about five to ten double-spaced pages in length, no more. Please ask for help early on so that you do not get overwhelmed. I am happy to review a draft of your paper and give you feedback before the due date – this is voluntary. **Submit your choice of theory for approval to me on or before Friday, 10/2/2015. PAPER IS DUE FRIDAY, 11/20/2015**

EXTRA CREDIT:

Maximum extra credit may be received for participating in two of the following activities.

1. **Attend Academic Enhancement Seminars** (<http://www.sulross.edu/page/939/academic-enhancement-seminars>).
2. **Take a career self-assessment, Meyers-Briggs or SIGI** (<http://www.sulross.edu/page/111/career-services>).

4. Complete a book report on a book related to psychology. Any book may be read, although the attached list of books are all recommended as being interesting and worthwhile. The book selected may be either fiction or non-fiction. Use the attached Book Report Form for the outline for your book report. Must be typewritten. I will provide you with a list of possible books and general outline.

5. Keep a Reflection Journal. For 30 days write down at the end of each day what you have experienced/reflected upon/learned that relates to psychology. Turn in a report summarizing what you have learned; do not turn in the journal.
6. Participate as a research subject in a psychological experiment.
7. Suggest something that we can discuss/negotiate.

Students with good attendance will receive consideration for extra credit at the end of the semester if additional points are needed to achieve the next higher grade. Each extra credit assignment is worth five points. You may complete two assignments for extra credit for a maximum of ten points.

PLEASE READ: During the course of this class, Students may have strong emotional/psychological reactions to the course material and/or discussions. If you feel that you are having difficulty with the learning environment, please discuss this with me immediately before continuing the course. Counseling and Accessibility Services (<http://www.sulross.edu/section/2408/counseling-accessibility-services>) can provide brief, short-term individual and group counseling or refer you to off-campus providers. You have already paid for these services through your Student Service Fee, whether you use them or not.

If you have any issue or concern, I would appreciate you speaking with me first. If you feel we cannot come to a reasonable resolution, know that you can speak with the BASS Department Chair, Dr. Mark Saka (432.837.8157) regarding your concerns.

I endeavor to maintain a safe learning environment for all and expect the highest standard of conduct from each one of us and the collective. I welcome constructive feedback in the service of this goal.

This syllabus is accurate to the best of my ability, but I reserve the right to modify it at any time and will inform you as soon as possible. If I do make any changes, I aspire to do so for the reasons of student fairness and/or circumstances beyond my control.
