COURSE DESCRIPTION:

The intent of this course is to further enhance the student-athlete's knowledge about the game of basketball.

STUDENT LEARNING OUTCOMES:

After completing this course, the student-athlete will be able to---

1. understand the intricacies of teamwork as related to the sport of basketball
2. know how to react and counter numerous basketball situations with a designated style of play

METHOD OF INSTRUCTION:

1. Demonstration and lecture
2. Hands-on skill activities and team participation

COURSE EXPECTATIONS:

Class attendance and participation are mandatory. It is the responsibility of the student to notify the instructor of an absence. After 9 unexcused absences, the student will be dropped from the class with an "F" by the instructor. Grades are weighted with the following percentages:

Attendance 40%	90-100 =	A
Participation 60%	80-89 =	B
	70-79 =	C
	60-69 =	D
	Below 59 =	F

COURSE EVALUATION:

At the conclusion of the course, each student will be asked to complete an evaluation form on the effectiveness of the course and the instructor.
