Course Description

The Wind Ensemble studies and performs wind band repertoire, orchestral transcriptions, and other music for the concert setting. The Wind Ensemble performs at least two full-length concerts per semester.

Textbook and Materials

Students are responsible to provide their own instruments and accessories or to arrange this with the directors. Music to be studied will be checked out to students. Students must return all materials and equipment checked out prior to the end of the semester or will have a hold on their records and will be financially responsible for replacing any materials not checked-in.

Student Learning Outcomes

Upon completion of this course, students will be able to:

1. Demonstrate improved ensemble playing ability.
2. Demonstrate improves sight-reading ability appropriate to individual skill level.
3. Demonstrate knowledge of appropriate historical and musical style appropriate to literature studied.
4. Discuss one or more new styles of music, one or more new composers, and one or more new pedagogical techniques covered during the semester.

Music Program Learning Objectives

This course is a required course for a major in instrumental music. As such, it helps the student to meet one or more of the program learning outcomes for the major. These learning outcomes include:

The graduating student will demonstrate:

1. the ability to integrate appropriate musical expression into performance.
2. the ability to prepare appropriate program notes.
3. the ability to evaluate and critique a musical performance.

ADA Needs

Sul Ross State University is committed to equal access in compliance with the Americans With Disabilities Act of 1973. It is the student's responsibility to initiate a request for accessibility services. Students seeking accessibility services must

Rehearsal Policies

1. Students are expected to attend each rehearsal and to arrive on time. Excessive absences and late arrivals impact the ability of the ensemble to rehearse effectively and may negatively impact the student grade.
2. Students are expected to have all necessary materials at each rehearsal. This includes all instruments, music, accessories, and a working pencil.
3. Rehearsal schedule will be posted and emailed to you 24 hours in advance of rehearsal.
4. If you must miss rehearsal, please inform the director no less than 36 hours in advance so your absence can be planned for.

Class Attendance and Participation

From the 2014-16 Undergraduate & Graduate Catalogue:

Regular class attendance is important to the attainment of the educational objectives of the University. Each instructor will keep class attendance records, and the instructor's policy on class attendance will be explained at the beginning of the semester or term. **The instructors will drop a student from a course when the student has a total of nine absences.**

An absence is defined as non-attendance in fifty minutes of class (for a course that meets 3 times per week); for example, non-attendance in a one and one-half hour class (or course that meets twice per week) will constitute one and one-half absences and non-attendance in a three hour class (or a class that meets one time weekly) will constitute three absences.

An absence because of participation in an official University activity is considered to be an **authorized absence.**

- Every effort will be made by departments to minimize missed class time of students by careful scheduling of authorized University activities. When a student has to miss a class due to an authorized University activity, it will be the responsibility of the **student** to notify the instructor of the class in advance.
- The **department** responsible for the authorized University activity will also notify instructors through the Student Life Office by providing an explained absence list to the office.
- Instructors will give students participating in an authorized University activity the opportunity to make up class work, including tests, within a reasonable time and at the convenience of the instructor.

In order for an absence to be **excused**, written notification must be provided by the University, a medical doctor, funeral program, etc. Any unauthorized absence with no documentation shall be considered **unexcused.**

A student who is dropped from a course for excessive absences will be notified in writing by the Director of Records and Registration after the drop has been approved by the Provost and Vice President for Academic and Student Affairs. Any student dropped for excessive absences will receive either an "F" or a "W" depending upon the faculty member's discretion.

This class meets twice per week, so each unexcused absence will count as 1.5 absences. **You may be dropped after 6 unauthorized absences.**

All absences, excused or unexcused, will result in a zero participation grade for the day. However, that zero can be ameliorated by your scheduling a sectional outside of rehearsal with at least one other group member (preferably in your section, but not necessarily) for the amount of time you missed. You will therefore make up the work you missed. This sectional must be documented in writing and provided to the instructor. You must do this during the concert season, not after our final semester concert.

Unexcused absences (per each class missed for a 2x/week class)

- 1 = 1.5 absences (zero for the day, can be raised with a sectional)
- 2 = 3 absences (zero for the day, can be raised with a sectional)
- 3 = 4.5 absences (max. letter grade lowered to "B")
- 4 = 6 absences (max. letter grade lowered to "C")
- 5 = 7.5 absences (max. letter grade lowered to "D")
- **6 = 9 absences (student may be dropped or grade lowered to "F")**

Tardy Policy

Being late to class is disruptive to other students, the teacher, and the learning process. If you enter after the start of class, you are tardy. The start of class is defined as the point at which the teacher begins teaching. A tardy will lower your participation grade. If you are tardy for what you believe is an excusable reason, please speak with me in person after class.

Cell Phone Policy

Class time is limited and use of cell phones causes unneeded distraction to the learning process. Therefore, cell phone use during class is strictly prohibited, and repeated violation of this policy will have an effect on your daily participation grade.

Professional Communication Policy

- All communication with me should be done either face-to-face or through e-mail.
- You are expected to check your e-mail on a regular basis.
- Communication by cell phone is for EMERGENCY ONLY! Please call if an emergency will prevent you from attending class. Text messaging will not be allowed, nor will communication via Facebook.

Dress

Wind Ensemble Performance Attire:

Grades are not given, they are EARNED. Students will have the opportunity to earn points in the following areas:

Daily Participation Grade (preparation & participation) 45%

Performances (Prompt arrival at call time, have all necessary materials and music, proper dress) 50%

Contract Return (see attached) 5%

In order to ensure understanding, please read this syllabus, get any pertinent questions answered, sign, and return to the instructor during the next class. Returning the contract on-time results in earning full credit. Turning it in late results in losing points per day until it is turned in.

Letter grades will be based on the following percentages:

90-100 = A = Excellent

80-89 = B = Good

70-79 = C = Average

60-69 = D = Poor

Below 60 = F = Failure

I = Incomplete

An earned grade of “A” may be required for scholarship renewal semester-to-semester. Scholarship guidelines may be separate from this ensemble class syllabus.

Daily Activities will include at least 3 of the following:

- Study of daily routines and warm-ups
- Scales and technical exercises
- Balance, blend, and intonation studies
- Rehearsal of literature for performance
