**Course Dates:** June 1—July 5, 2016; Grades due in to Registrar's office on July 6.

Office Hours: This is a web/face to face class which meets for four consecutive Saturdays beginning June 4. I will do my best to respond to your email questions within 24 hours during the week. I do have an office at SRSU and a residence in Alpine as noted above but my summer residence is in Abilene. Since this is a summer class taught in Abilene and I do not have regular summer office hours in Alpine, you will need to schedule an appointment with me either at my residence or Region 14 on South Treadaway if we need to meet. Probably the best option will be to meet before or after class on the Saturdays when we have class. If you need to talk to me via email or telephone, email a message or call and leave a message if I do not answer and I will return your call. Be sure to leave your name and a return phone number. An email message is best and I prefer that you use this mode of communication during the week.

#### **Course Description:**

This is half and half a face to face course and an online course that critically examines the theory and practice of leadership and management in school administration. The behaviors, skills, attributes, beliefs, and attitudes for leadership and management will be researched and investigated. Special attention will be given to the difference between the concept of leadership and the concept of management in educational organizations and we will examine which provides the best practice approach to school administration.

#### **Course Performance Standards, Knowledge and Skills:**

The course is designed to prepare students to function as effective leaders and managers within an educational organization setting. Methods designed to provide an understanding of the process of leadership will be included. Emphasis will be placed on the study, analysis, development, and enhancement of effective leadership and empowering management behaviors. The learning, research, and assignments for this class will be based on the TExES Standards and Competencies for certification of Principals and counselors.

## **Learner Outcomes:**
