KIN 5909 Practicum in Exercise Science

Instructor:
Christopher
Herrera, Ph.D.

OFFICE HOURS: Monday - Friday: 9:30 – 11:30 am

AND BY APPOINTMENT

Telephone: 432-837-8213

Email:

christopher.herrera@sulross.edu

Fax: 432-837-8390

Location: Sul Ross campus - MAB, 304

Course Description:

Limited to students who have completed all 24 hours and have demonstrated their ability to complete their practicum work sponsored by the Kinesiology Department and who are considered able to do independent work. Before registering for the practicum, students should have completed all 24 hours on their degree plan, and consult with the advisor concerning their program of study. Students are expected to work independently with supervisors, mentors, or directors. Evidence of progress demonstrated by papers and discussion. Consent of a faculty supervisor and Department Chair.

Course Objective:

The Health and Human Performance Master of Science degree incorporates coursework with a practical experience through the practicum program that results in a cumulative learning experience that will prepare graduate students for a career in the exercise sciences or related fields.

Class Meeting Times and Course Content:

All students must also complete the other requirements of the Practicum Manual provided in order to pass this class, except where the manual is in conflict with this syllabus. In summary, students must sign a practicum agreement, an intern waiver, keep and complete a weekly activity log, submit practicum objectives, complete an evaluation of the practicum coordinator, present the practicum in a power point presentation before a panel via WebEx. See the Practicum Manual for more details. The Manual may be accessed at any time at Blackboard on the Sul Ross State University website (www.sulross.edu).

Student Learning Outcomes:

- 1.** The Kinesiology and Sport Science students will understand the principles of motor learning; understand the practice for developing motor skills; apply knowledge to biomechanical principles; apply knowledge of individual and teams sports and understand the principles of dance, personal performance activities, recreational activities and outdoor pursuits Movement Skills and Knowledge Domain).
- 2.** The Kinesiology and Sport Science students will understand major body systems, principles of physical fitness and benefits of a healthy lifestyle; understand the principles and activities for developing cardiovascular endurance; understand principles and activities for developing and maintaining flexibility, muscular strength and endurance; and understand health and wellness concepts (Health-Related Physical Fitness Domain).
- 3.** The Kinesiology and Sport Science students will know how to use effective instruction and assessment to prepare physically educated individuals; understand factors relevant to learning and performance in physical education in physical education and uses knowledge to promote students' development; understands the structure and purposes of physical education programs; and understand legal issues and responsibilities of physical education teachers (The Physical Education Program Domain).

General Responsibilities

Attendance

All practicum students are expected to arrive at the practicum site on time and remain at the site for the duration of the prearranged work schedule. All interns must immediately contact their site supervisor and the university supervisor if they are absent for any reason. Failure to do so may result in disciplinary action. If the practicum requires travel between facilities, the intern must arrive on time at each site location.

Appearance

All internship students must comply with the practicum sites dress code at all times. Failure to do so may result in disciplinary action.

Professionalism

All practicum students are expected to conduct themselves as professionals at all times while at the practicum site location. Interns are required to abide by and uphold all of the rules and regulations set by the practicum site. As representatives of Sul Ross State University and the Department of Kinesiology and Sport Science, all interns are prohibited from the use of profanity, alcohol, and/or non-prescription drugs while at the internship site. Failure to do so may result in disciplinary action.

Background Check/Insurance

Practicum sites may require a background check and/or professional liability insurance. Payment for these will be the responsibility of the student. A copy of proof of professional liability insurance must be filed with the internship site if required.

Specific Responsibilities

All practicum students are strongly encouraged to participate in all activities planned by the practicum site. In addition, interns must:

- Complete and submit a Weekly Activity Log (Appendix C) via Black Board.
- Complete a reflection for each Weekly Activity Log (Appendix D)
- Provide the Site Supervisor with the Site Supervisor Student Evaluation (Appendix I).
- Create a presentation detailing your practicum experience (See Appendix G).

Time Requirement

All practicum students must complete a total of 40 internship hours as a part of their enrollment in KES 5909. Practicum students are strongly encouraged to complete a minimum of 10 practicum hours per week to maximize their practicum learning experience.

Evaluation of the Graduate Practicum Student

All graduate practicum students will be assessed based on his or her completion of all necessary documents, including but not limited to Weekly Activity Logs, and the successful presentation detailing his or her practicum experience to Health and Human Performance faculty members.

Point Values

Practicum Agreement	5 points
Personal Data Sheet	5 points
Practicum Waiver	5 points
Weekly Activity Log #1	5 points
Reflection #1	5 points
Weekly Activity Log #2	5 points
Reflection #2	5 points
Weekly Activity Log #3	5 points
Reflection #3	5 points
Weekly Activity Log #4	5 points
Reflection #4	5 points
Student Evaluation HHP Coordinator	5 points
Site Supervisor Student Evaluation	10 points
Practicum Portfolio (25) and defense (10)	30 points
TOTAL	100 points

Grading	90-100 = A
	80-89 = B
	70- 79 = C
	60-69 = D
	➤ 60 = F

Tentative Schedule of Activities:

May 23-30 Class WebEx Video Conference 9-12:00 CST

June 7 DUE 1st Reflection and Log

June 14 DUE 2nd Reflection and Log

June 21 DUE 3rd Reflection and Log
*

June 28 DUE 4th Reflection and Log

June 6-7 Practicum Portfolio Presentation

SRSU Disability Services:

Sul Ross State University is committed to equal access in compliance with the Americans with Disabilities Act of 1973. It is the student's responsibility to initiate a request for accessibility services. Students seeking accessibility services must contact Mary Schwartz, M. Ed., L.P.C., in Counseling and Accessibility Services, Ferguson Hall, Room 112. The mailing address is P.O. Box C-122, Sul Ross State University, Alpine, Texas 79832. Telephone: 432-837-8691. E-mail: mschwartz@sulross.edu

Academic Integrity:

Students in this class are expected to demonstrate scholarly behavior and academic honesty in the use of intellectual property. A scholar is expected to be punctual, prepared, and focused. Meaningful and pertinent participation is required.

- 1 Examples of academic dishonesty include, but are not limited to:
 - o Turning in work as original that was used in whole for another course and/or professor;
 - o Turning in another person's work as one's own;
 - o Copying from professional works or internet sites without citation.

Any of these offenses will result in a zero for the assignment with no option to redo for credit

Navigating the Course

Navigating Blackboard and this course is essential to your success as a student. If you have problems submitting assignments contact Ms. Sandy Bogus; Office of Information Technology; sbogus@sulross.edu ; (432) 837-8510.

NOTE: Other assignment due dates are contained in the Practicum Manual. See the Practicum Manual for more details.
