SEMESTER OUTLINE

1. **QUIZZES** will be given at the end of a Thursday class period. If missed, you will have until the beginning of the next Tuesday class to arrangements with the instructor to take it. After they are handed back and reviewed they can **NO LONGER BE MADE UP**.

2. **COUNTY TRAVEL GUIDE**

Your main semester project (worth 60% of your total grade) will be **HISTORICAL TRAVEL GUIDE** to a selected county in Texas. This will be written in your own words, and will be formatted to fit on standard 8.5x11-inch sheets of paper. This project will essentially consist of three parts: **MAPS**, **HISTORY**, and **CURRENT HISTORICAL GUIDE**.

1. **MAPS**: You will include two **TRACED** and **HAND-COLORED** maps with your project. The first will be a map of Texas, including all the major rivers and their names, along with a properly-located outline of the county that you will be writing about. The second map, also hand-colored, will be of the county itself, showing all the major towns, roads and highways, and bodies of water in that county. Each map should have its own title, distance scale, compass rose, and should be **NEATLY** labeled and colored.
2. **HISTORY**. This section of the paper will tell the reader about the history of that county, all the way from the pre-Columbian period the present. You **MUST** include a description of the Native Americans who first inhabited that region, with a special focus on how the geography, climate, vegetation and wildlife of that region affected their lifestyles. Next, you must explain the history of that region when it was under New Spain, followed by the Republic of Mexico period, followed by the Republic of Texas period. You will then follow that with a look at the history of the county under the United States, including during the US-Mexico War, the US Civil War, Reconstruction, the Gilded Age, World War I, the Roaring 20, the Great Depression, WWII, the Cold War, and the modern age, as appropriate. Somewhere in your narrative, you will also explain how the county got its name and who it was named after, along with a current demographic description of the county.
3. **TRAVEL GUIDE**. In this section, you will tell the historical traveler where they can go today to learn more about the history and recreational opportunities available in that county. This section will include not only museums but also government and historical buildings, parks, monuments, markers, cemeteries, tours, drives, gardens, events, and sports teams and arenas they can visit.

NOTE: This travel guide must be typed, double-spaced, using Times New Roman size 12 font and standard margins. You may choose your documentation style (MLA, APA, TURABIAN) as long as you are consistent. You must properly document all quotations and ideas used in this paper. You should also include photographs, which may be downloaded off the internet, as long as they are properly documented. This paper is worth 300 points, and is due on the **6th of April**.
