OUR VOICE

Our story began in 1917, in a small West Texas town called Alpine, Texas. In 1925, we developed our trademark logo and it remains our most iconic image today: the Bar-SR-Bar. Both a logo and cattle brand, this image continues to inspire the Sul Ross family to share our passion for our university.

Who we are shapes every experience our students, alumni, faculty, staff, and friends have with Sul Ross.

We are an institution spanning areas in far West Texas and the Middle Rio Grande Region. We are filled with opportunities to experience research, culture, and academics. We are living in a natural environment that inspires creativity and community connections. We thrive on breaking new ground and exploring new frontiers.

WE ARE SUL ROSS.

WHY IS OUR VOICE IMPORTANT?

We define who we are and our voice defines us.

PRIMARY LOGO

As the foundation of our mission, this primary logo tells the Sul Ross story in one tag line so that constituents get a lasting impression of our goals: to lead higher education and emphasize our commitment to rural Texas and breaking into new frontiers.

The logo has three elements: the Bar-SR-Bar, the gray rule, and the word mark. The tagline appears justified below the logo with a special emphasis on the words THE FRONTIER UNIVERSITY.

The primary logo incorporates the official Sul Ross colors: Red and Gray. May be presented in scarlet and black or white.

This primary variation of the logo and tagline should be downloaded as one piece, not typeset.
SECONDARY LOGO

This logo may be presented in full color, red, black or white.

For use on merchandise or promotional items.

Sul Ross Brand Guidelines
FONTS

For University-wide print communications, we recommend Garamond and Franklin Gothic for use in program, department, and college-level communications. Garamond denotes a formal feeling of academia and should be used for official documents or publications representing the university. Franklin Gothic has a modern feeling, and is a good companion to our University logo.

For questions related to university fonts, contact the Brand Manager at 432-837-8140, joesper@sulross.edu.

Consistent use by the campus community will strengthen the continuity of appearance necessary to create a strong University presence and visual identity program.

The font used to create our Frontier University logo is Gotham. Though it is not available on most university computers, if you have this font you may use it for headings and titles. It does not work well for the text body of a document, however.

Web alternatives to our primary fonts are Times New Roman and Arial.
