Notes:

- (1) The Pass Rate data are based students associated with the Alpine EPP; several years ago, all new candidates were associated with Alpine. **The Competency Data are for Alpine and the International / RGC candidates.**
- (2) Existing candidates associated with the RGC EPP remained in the RGC EPP until completion or removal. All RGC records are now locked by TEA.
- (3) TEA does not disaggregate the 5 exams for Pass Rates; Passing means all sections passed on first or second try, regardless of which exams were taken or retaken.\*
- (4) The Column Averages average all scores together without weighting and provide a limited amount of information.
- (5) The "Only 1 Attempt" includes scores from people who have only taken the test once; "All 1" includes all scores from people irrespective of the number of attempts - and "All 2", "All 3" etc. indicate similar.
