## **EXPERIENCE**

**2023**                      Kinesiology Graduate Assistant

I assisted professors as needed with classes and preparation.

- Work closely with professors organizing and maintaining the material for their classes.
- Responsible for making copies, creating powerpoints, assisting in classes, and uploading material for the students.

**2020**                      **USA Softball Clinician**

I worked with USA Softball Texas in organizing and executing various programs throughout the year. I worked at camps for the USA National team players and the high-performance program that is currently used to identify future Olympians.

**2021-2023                      Sul Ross Volleyball and Softball Camps**

I worked closely with the head coach developing and evaluating the skills of young athletes that want to continue to play at the collegiate level.

- Knowledgeable of all University policies, NCAA Division III policies, and conference requirements and responsible for adhering to all policies and requirements.
- Follow established guidelines and procedures set by the head coach and the university.
- Seek recruitment of academically successful student athletes from diverse backgrounds to add to the dimension of my team.
- Communicate and cooperate with the coaching staff to facilitate group purpose and mission.
- Stay current with the sport-specific developments in the profession.
- Camps: Coordinate summer camps, at Sul Ross State University, at the direction or recommendation of high school head coaches requesting comprehensive skill assessments and drills.
- Social Media: Update and track all social media outlets for the program. Monitor all social media from the student-athletes, managers, and staff of the program.
