## OBJECTIVE

To further my Career in Nursing in the educational role. I believe that not only can I care for my patients as a clinical RN, but want to work behind the scenes to educate and guide future nurses to care for our community and have a lifelong job of serving the public.

## EXPERIENCE

---

June 2025 Present	I am currently at Sulross University in Alpine, as an Assistant Clinical Professor. I teach our Fundamentals and Community courses.
----------------------	---

August 2022- May 2025	I worked at UTPB as an Assistant Clinical Professor. Currently I am Teaching Pathophysiology, Clinical Pharmacology and Mental Health.
--------------------------	--

July 2019- August 2022	I worked at Odessa College as the Simulation lab coordinator for the School of Health Sciences.
---------------------------	---

December 2015-	I was at MCH as a nurse educator. I was responsible for maintaining nurse's education files, as well as providing any
----------------	---

June 2019	necessary education for the nursing staff. Also, I handled all the orientation for the onboarding nurses.
July 2010- December 2015	Operating Room Manager Basin Healthcare now ORMC South Campus  I was the OR manager for ORMC south campus, formerly Basin Healthcare. I made sure the OR schedule is properly staffed and runs smoothly on a daily basis. I also am very capable of running rooms and scrubbing as needed.
June 2008-July 2010	Circulator, Tech, Pre-op and Post op RN at East Loop Surgery Center in Odessa, Tx.  This a small outpatient clinic where we performed minor eye procedures. Cataract removal, Pterygium excisions, blepharoplasties, etc... I worked in all capacities.
June 2003-June 2008	Circulator and Scrub tech at ORMC East Campus  I was first employed as a CST. Upon graduating in 2006 with my RN I began to Circulate as well as scrub.
May 2000-June 2003	Scrub tech at Medical Center Hospital  This is where I began my medical career, as a CST.

## EDUCATION
