Texas State Athletic Training Association Sports Medicine Course Certification

American Red Cross Professional Rescuer CPR and AED Certified, 2015-Present

NPI Number - NPI - 1528564804

## PROFESSIONAL EXPERIENCE

Head Athletic Trainer / Senior Women's Administrator

June 2025 - Present

Lecturer in Kinesiology

Sul Ross State University, Alpine Texas

I manage, oversee, and direct the athletic training department at Sul Ross State University. We follow evidence based practice to provide quality sports medicine healthcare for our student athletes. I also oversee the athletic training apprenticeship program. Students have the ability to complete hours under certified and licensed athletic trainers. The program has a specialized curriculum to allow students to sit for the TDLR exam and become licensed athletic trainers in the state of Texas. I also provide instruction for the following courses through the kinesiology department:

- KINES 3320 - Athletic Training I
- KINES 3321 - Athletic Training II
- KINES 4424 - Therapeutic Exercise
- KINES 4327 - Therapeutic Modalities
- KINES 4328 - Administration of an Athletic Training Program

Head Athletic Trainer

May 2021 – June 2025

Co-Head Athletic Trainer

July 2018 - May 2021

Weatherford ISD, Weatherford, TX

I oversaw the daily provisions of quality healthcare for all WISD Student-Athletes and provided athletic training care for all high school athletic events. I supervised and instructed a secondary level athletic training program for students consisting of sophomores, juniors, and seniors. In addition to these duties, I was a clinical preceptor for the Tarleton State Masters of Athletic Training Program's students each semester. I also provided instruction for the following courses through WISD's CTE department:

- Sports Medicine I
- Sports Medicine II
- Principles of Exercise Science and Wellness
- Kinesiology I

Counselor

Summers 2010-2015

Wrangler / Assistant Camp Director

Summers 2016, 2021 - 2025

Prude Ranch Guest Ranch and Summer Camp, Fort Davis, TX

Prude Ranch offers summer camp experiences in the Davis Mountains for campers aging from 6 - 16. Some of my duties here included planning, explaining principles, techniques, and safety procedures for outdoor recreational activities such as hiking, riflery, archery, upper and lower ropes courses, and horsemanship. I also planned and coordinated off campground trips for the high school age campers to Big Bend National Park, Guadalupe National Park, and Carlsbad Caverns National Park. I oversaw the health, safety, and care of 20-30 horses as well as instructed campers on how to care for their assigned horse during camp. I led and facilitated trail rides for campers, counselors, and Prude Ranch guests.

Physical Therapy Technician

May 2015 – June 2016

Action Sports Medicine and Physical Therapy, Abilene, TX

As an undergraduate student, I worked under the leadership of 6 physical therapists and 3 staff athletic trainers in a large volume physical therapy clinic that treated patients of all ages and activity levels for orthopedic injury rehabilitation. This experience gave me a great foundation in learning hands-on therapeutic exercise techniques as well as the use of therapeutic modalities.
