1/1996 – 7/1997: Teacher; Austin High School (El Paso I.S.D.) Taught 10th and 12th grade level English classes

Accomplishments:

May 2023 – October 2023 – Completed Wellness/Life Coach Certification courses through Chopra Education to become a certified Chopra Coach and currently seeking certification through the National Board of Health and Wellness Coaches

March 2022 – I had two articles published on the website: vocal.media

May 2017 – The Del Valle Elementary robotics team won a statewide competition which qualified them to attend the World Robotics competition in Louisville, Kentucky. Various fundraisers paved the way for the students, their coaches, and their parents to attend this once in a lifetime event.

January 2015 – Del Valle Elementary was selected to take a group of fifth grade students to the Capitol Schoolhouse event in Austin, Texas for three days to showcase the ways in which students were using technology to improve their learning experiences. The goal of the event was to educate legislators and the general public on how advances in technologies are improving the teaching environment.

July 2014 – I applied for and was selected to attend a week-long leadership institute at the Harvard Graduate School of Education, The Principals' Center. I incorporated the learning experiences to strengthen the leadership team in being able to reach higher levels of success with the students we served.

July 2012 – Due to the accomplishments and excellent work being done at Desertaire Elementary, the YISD Superintendent of Schools, Dr. Michael Zolkoski promoted me as a principal to a new school, Del Valle Elementary to lead a new team of educators.

May 2010 – At the conclusion of my second year as Principal at Desertaire Elementary, the school earned the rating of "Exemplary" status from the Texas Education Agency due to all test scores reaching the standard of 90% or above in all tested areas.

August 1992-December 1995 – In August of 1992, I was awarded a Presidential Scholarship by the University of Texas at El Paso, and I fulfilled the requirements of the scholarship until I received my Bachelor's degree in December of 1995.
