5901 Station Hill Rd. Gibsonia, PA 15044 | 702-372-2950 | [abbiepur@gmail.com](mailto:abbiepur@gmail.com)

### SUMMARY OF EXPERIENCE

Self-motivated Clinical Nurse Specialist with over 20 years nursing experience in a variety of clinical settings and roles. I have over 10 years of experience in the area of regulatory bodies, compliance and disease specific outcomes. My wide range of nursing experience has served the growth and development of operations in quality-oriented healthcare organizations. In addition, mentored and developed student nurses as well as new graduate nurses for success at the bedside. Provided outcome focused education to all levels of the health care team. Demonstrates keen ability to build and develop programs that ensures superior patient care, collaboration, and many best practice initiatives.

### ACHIEVEMENT HIGHLIGHTS

- Worked with Education Advisory Committee and the Nevada State Board of Nursing to increase policies for simulation in Prelicensure programs from 25% to 50%
- Facilitated Practice Decision for nursing regulation related to Rapid Sequence Intubation for the Nevada State Board of Nursing
- Serve on the practice advisory board for the Nevada State Board of Nursing
- Created change process in the critical care education delivery at Valley Health System
- Created and implemented a strategic Cardiovascular Surgical Program for the Valley Health System
- Serves on the Chamberlain National Faculty Course Advisory Council for Adult Health Nursing
