OBJECTIVE

Goal-orientated and resilient educator with over 15 years of experience impacting positive academic growth in the elementary and early childhood settings. My objective is to pursue an administrative position as an instructional officer where I can use my communication skills to foster positive relationships with faculty, staff, parents, and students. My focus is to find creative, practical new ways to improve children's educational experiences and outcomes. As an administrator I will commit to bring in enthusiasm for collaboration and problem solving to influence a positive school culture.
