➤ **Marketing** (Spring 2014 – Fall 2016):

- Contributed in creating original Tarleton State Kinesiology Brand and Logo
- Organized and ordered Kinesiology apparel and merchandise
- Distributed apparel and merchandise to current faculty, and broadcasted items for sale to current students and alumni of Tarleton State Kinesiology
- Researched and ordered bumper stickers, post cards, thank you cards, note pads, magnets, pencils, pens, expo pop-up displays, lanyards, napkins, koozies, and wristbands all uniquely branded for Tarleton State Kinesiology.
- In charge of developing and launching clothing line for the department that included t-shirts, polos, and sweatshirts. This included the launching of a self-contained web site dedicated to the ordering of these items, plus many more items available for students to order.

➤ **Kinesiology Graduate Studies Club Vice-President (KGSC)**

Summer 2014 – Fall 2016

- Personal responsibility to insure that KGSC constitution is upheld, bimonthly meeting are arranged and smoothly ran, club funding is properly distributed, and, above all, the student members expand and advance personally, socially and educationally.
- The Mission of the Tarleton State University Kinesiology Graduate Studies Club is to further the graduate level experience within the field of Kinesiology by providing opportunities of leadership and knowledge in exercise science, motor behavior, athletic training, athletic administration, and physical education.
- The Tarleton State University Kinesiology Graduate Studies Club is also focused on promoting the importance of health awareness and physical activity within the club, Kinesiology Department, campus, and community.
- As a club, we wish to expand our own knowledge of health and physical activity as well as displaying our knowledge to others as facilitators for health, wellness, and physical activity.
- Duties also included responsibility for the clubs banking and finances.

➤ **Kinesiology Scottish Study Abroad Program**

Summer 2015

- Develop program itinerary including historical destinations (St. Andrew's Golf Course), related guest lectures, and an international research symposium.
- Communicate details with CISabroad Company and promote future program to Kinesiology Graduate and Undergraduate students.

➤ **Dr. Wendell Sadler Distinguished Scholar Series**

Spring 2014, 2015, 2016

- Contact person for entire event
- Developed and secured corporate sponsorship
- Secured Expo vendors
- Contact certification organizations
- Organized, finalize and advertise specific details of the workshop
- Helped to design artwork for the event

➤ **Kinesiology Intern2Learn Program**

- In charge of the day to day task of the five Inter2Learn students working for the Kinesiology Department

➤ **Helped to develop Kinesiology & Sport Review Blog for Graduate Program**

➤ **Helped to organize Kinesiology Alumni Association**

➤ **Took charge of departments Professional Development Points program and help to make it digitized and web based using Chalk & Wire program**

- Worked closely with cross campus CII department to create a digital format for students to input and track mandatory Professional Development Points.
- Trained student interns to help Kinesiology students understand the process by which Professional Development Points are to be input.

- **Over saw kinesiology interns throughout the semesters**
- **Helped to create Professional Development Speaker Series for Kinesiology Department**
- **Instrumental in planning, organizing, and hosting the annual Tarleton State University Kinesiology Professional Development Workshop. Included in these duties:**
 - Initial contact with each of the three speakers brought in to talk with students about the importance of networking, leadership, and marketing
 - Initial contact with potential vendors for the event. Staying in contact with vendors throughout the process.
 - Managing the set-up of the event.
 - Ensuring the event went smoothly
 - Start planning for second event.
