Education

Masters in Agricultural Communication, 2017

Texas Tech University

Bachelor of Science in Communication Studies, 2015

Texas Christian University

Experience

Purina Animal Nutrition

Livestock Production Specialist 2018-2019

- Worked directly with customers to address their needs and achieve their holistic agricultural operation's nutritional goals.
- I assessed multiple operation's variables to determine correct outcomes.
- Supervised data collection for feed trials and recommend nutritional determinants.
- Built relationships and performed educational presentations

Texas Tech University 2016-2017

Teachers Assistant

- As a teaching assistant I taught 3 agricultural leadership classes during my time at Texas Tech University.
- I was office manager, graded student assignments, was a communication liaison, and creating numerous Word, Excel, and PowerPoint documents.
