Attendance

Regular class attendance is important to the attainment of the educational objectives of the University. Therefore, students should attend all classes. Attendance includes being punctual for class and ready to engage with the professor and the day's material. The instructor's policy on class attendance will be explained at the beginning of the semester or term. In accordance with the instructor's policy, the instructor has the right to penalize students who are out of compliance with the class attendance policy

Authorized/Excused Absences Statement. An absence because of participation in an official University activity is considered to be an authorized/excused absence. While every effort will be made by departments to minimize missed class time of students by careful scheduling of authorized University activities, when a student has to miss a class due to an authorized University activity, it will be the responsibility of the student to notify the instructor of the class in advance. The department responsible for the authorized University activity will also notify instructors through the Student Life Office by providing an excused absence list to the office. Instructors will give students participating in an authorized University activity the opportunity to make up class work, including tests, within a reasonable time and at the convenience of the instructor. Should an instructor have an attendance policy that allows for the dropping of a student after a certain number of absences, authorized/excused absences will not be counted towards that number of absences. Any student dropped for excessive absences will receive either an "F" or a "W" depending upon the faculty member's discretion..

Classroom Behavior

Distracting behavior such as uninvited casual talk among students, use of cellular phones, beepers or inappropriate behavior toward fellow students or faculty is unacceptable. Turn off your cell phone and any other electronic equipment before class starts. If you turn your phone to vibrate, do not answer it in class and do not leave the classroom to answer your phone. Exceptions to this are emergency personnel.

Assignments
