Other times by appointment

Course Description:

Use of the computer in the processing of business transactions, analysis of accounting information and in auditing.

Prerequisites:

ACC 3331 and 4333

Required Course Materials:

ACCOUNTING INFORMATION SYSTEMS, 9th edition, by Hall
ISBN: 978-1-133-93440-0, published by Cengage Learning

Prerequisites:

ACC 2330 – Principles of Accounting I and ACC 2331 – Principles of Accounting II

Program Learning Objectives (PLO):

- PLO 1 Analyze and solve business problems across major business functions, using fundamental business principles and strategies
- PLO 2 Communicate business information through written, oral and other delivery processes
- PLO 3 Identify and discuss the impact of ethical and social responsibility issues in business
- PLO 4 Identify and describe the major components of the external business environment

Student Learning Outcomes

Upon successful completion of this course, the student will be able:

- SLO1 Recognize the primary information flows within the business environment.
- SLO2 Understand the principal features of the general model for information systems.
- SLO 3 Understand the broad objectives of transaction cycles
- SLO 4 Understand the relationship between traditional accounting records and their digital equivalents in computer-based systems.
- SLO5 Distinguish the data coding schemes utilized in accounting information systems.

Course Grading

Homework	20%
Participation	15%
Exams	65%
Total Points	100%

Your grade will be based on the following scale:

A	90-100%
B	80-89%
C	70-79%
D	60-69%
F	59% and below

Homework & Exams

Students are required to read the assigned materials prior to class and be prepared to participate in class discussions. Homework will not be accepted late. If a student misses an exam, it must be made up within one week of the exam date. Please read the syllabus and follow the timeline on assignments.

Academic Honesty

Cheating or plagiarism includes the copying of all or part of another person's work and will not be tolerated. If you allow your work to be copied or make it available to another student for this purpose you are also cheating. All parties involved will receive an F on the assignment.

Students with Disabilities

Sul Ross State University is committed to equal access in compliance with the Americans with Disabilities Act of 1973. It is the student's responsibility to initiate a request for accessibility services. Students seeking accessibility services must contact Mary Schwartz, M. Ed., L.P.C., in Counseling and Accessibility Services, Ferguson Hall, Room 112. The mailing address is P.O. Box C-122, Sul Ross State University, Alpine, Texas Telephone: 432-837-8691. E-mail: mschwartz@sulross.edu .
