Office Hours: TBA

Office Phone: 432-837-8989

DESCRIPTION OF THE COURSE: An introduction to practical scene painting projects for theatre and methods and applications to working on actualized set designs for the stage.

No Textbook required for this course.

Students enrolled in this practicum course will be required to work on a theatrical production during the first Summer session.

Grading will be based on completion of assigned task(s) per production which includes strike of one theatre production.
