

**Course Syllabus: History 4316: 001—The History of the United States Navy**

**Fall 2019-Dr. Mark Saad Saka**

**Sul Ross State University**

**Course Objectives:**

This course is designed as an independent studies and research course in the history of the United States Navy. The student will meet once a week with the professor and discuss progress in the four books, chosen by the student, with the approval of the professor, and progress towards the required 15 page research paper.
