Attendance

Distance Education Statement: Students enrolled in distance education courses have equal access to the university's academic support services, such as Smarthinking, library resources, such as online databases, and instructional technology support. For more information about accessing these resources, visit the SRSU website. Students should correspond using Sul Ross email accounts and submit online assignments through Blackboard, which requires secure login information to verify students' identities and to protect students' information. [If the course requires students to take proctored exams or to purchase additional software or equipment, please

describe those requirements here. The procedures for filing a student complaint are included in the student handbook. Students enrolled in distance education courses at Sul Ross are expected to adhere to all policies pertaining to academic honesty and appropriate student conduct, as described in the student handbook. Students in web-based courses must maintain appropriate equipment and software, according to the needs and requirements of the course, as outlined on the SRSU website.

Course Description: This course will focus on the history and development of immigration patterns and policies in the United States. Emphasis will be placed on policy issues as related to the work of Criminal Justice practitioners, particularly in the post 9-11 world. Students will also be expected to analyze policy impact on various groups of immigrants.

Course Learning Objectives:

By the end of the course students will be able to identify the reasons for and methods most commonly used in human trafficking. Additionally, students will understand the victimology of persons trafficked. Students will also become familiar with and be able to evaluate the effectiveness of global and American efforts to combat human trafficking.

Criminal Justice/Homeland Security Graduate Student Learning Outcomes (SLOs) Upon Graduation:

SLO 1 Students will explain the history and evolution of homeland security, including the Department of Homeland Security, within the political and social systems of the United States. (Active)

SLO 2 Students will describe the magnitude and scope of terrorist threats to the United States, including the motives and methods of different international and domestic terrorist organizations. (Active)

SLO 3 Students will identify and demonstrate an understanding of the significant legal issues in the Homeland Security Domain. (Active)

ACADEMIC INTEGRITY:

Sul Ross State University students are responsible for reading, understanding, and abiding by the Sul Ross Student Code of Conduct.” Student Code of Conduct, Responsibilities, Procedures, and Rights are found on the University website.

Sul Ross State University and the instructor of this course both place a high priority on the academic integrity of their student scholars. As a result, all institutional guidelines and instructional policies concerning academic integrity will be strictly and uniformly enforced with all students regardless of context.

Academic integrity includes, but is not limited to, the following activities: cheating, plagiarism, collusion, fabrication, obtaining an unfair advantage, and falsifying academic records. In addition, academic dishonesty can include both actions and omissions to act in regard to academic exercises and activities. Cheating is defined here as the obtaining of information (electronic or otherwise) during an examination, the unauthorized use of books, notes, or other sources of information prior to or during an examination, the unauthorized use of books, the removal of faculty examination materials, the alteration of documents or records, or actions identifiable as occurring with the intent to defraud or use under false pretenses. Collusion is defined here as helping other students engage in acts of academic dishonesty, whether the student involved obtains any direct academic advantage from these acts. Plagiarism is defined here as the submission of the ideas, words, or artistic productions of another, without giving due credit or when attempting to falsely represent them as one’s own.

APA STYLE:

This course will use the American Psychological Association (APA) formatting and style guide for all written assignments. If you have any questions or concerns regarding the use of APA a number of resources have been provided below. Please note that all external sources

must be appropriately cited. A failure to do so constitutes plagiarism and is a violation of the course academic honesty standards. See www.citationmachine.net and <http://owl.english.purdue.edu/owl/resource/560/01/> for help with APA.

STUDENT SUPPORT SERVICES AND BLACKBOARD HELP DESK

Sul Ross State University has established a variety of programs to help students meet the challenges of college life. Support to students includes advising, counseling, mentoring, tutoring, supplemental instruction, and writing assistance. For a complete list of academic support services, visit the Student Support Services <https://www.sulross.edu/section/311/student-support-services>. For more information, students are encouraged to contact SSS at (432) 837-9118 or visit Ferguson Hall Room 105. For Blackboard help visit <https://www.sulross.edu/bb> or call 432-837-8523 (M-F 09:00 am-06:00 pm). You can get The Distance Education Handbook at <https://tvpb.sulross.edu/start/index.html>

The Support Desk is where you can direct your more technical questions. For example, if you are having issues submitting a document, getting videos to play, or you are dealing with a technical error in the course. The support desk is open 24 hours a day/7 days a week for your convenience. You can reach the support desk:

By calling 888.837.6055, via email blackboardsupport@sulross.edu, using resources from the Technology Support tab within blackboard, and clicking the Support Desk graphic on the course homepage

DISTANCE EDUCATION STATEMENT

Students enrolled in distance education courses have equal access to the university's academic support services, such as Smarthinking, library resources, such as online databases, and instructional technology support. For more information about accessing these resources, visit the SRSU website. Students should correspond using Sul Ross email accounts and submit online assignments through Blackboard, which requires secure login information to verify students' identities and to protect students' information.
