COURSE DESCRIPTION

English 2311 teaches the rhetorical principles and writing practices necessary for producing effective business letters, memos, instructions, reports in professional contexts (SLOs 1, 3). The curriculum is informed by current research in rhetoric and professional writing and is guided by the needs and practices of business, industry, and society in general, as well as by the expectations of SRSU students and programs (SLO 2). English 2311 takes place in a networked computer classroom or utilizes a wide-range of online resources for online students to ensure that students taking the course are prepared for the writing environment of the 21st-century workplace (SLO 4). The course teaches the rhetorical principles that help students collaboratively shape their professional writing ethically, for multiple audiences, in a variety of professional situations (SLOs 2, 3).

Textbook

Johnson-Sheehan, Richard. *Technical Communication Today*. Pearson, 2010

4. Technology

Developing strategies for using and adapting various communication technologies to manage projects and produce informative and usable professional documents.

5. Document Design

Learning to argue with visual data, understanding and implementing various principles of format, layout, and design of professional documents that meet multiple user and reader needs.

DISTANCE EDUCATION STATEMENT

Students enrolled in distance education courses have equal access to the university's academic support services, such as Smarthinking, library resources, such as online databases, and instructional technology support. For more information about accessing these resources, visit the SRSU website. Students should correspond using Sul Ross email accounts and submit online assignments through Blackboard, which requires secure login information to verify students' identities and to protect students' information. The procedures for filing a student complaint are included in the student handbook. Students enrolled in distance education courses at Sul Ross are expected to adhere to all policies pertaining to academic honesty and appropriate student conduct, as described in the student handbook. Students in web-based courses must maintain appropriate equipment and software, according to the needs and requirements of the course, as outlined on the SRSU website.

STATEMENT ON WEARING MASKS

Because of the pandemic currently being experienced, Sul Ross aims to do our part to prevent further spread of the novel coronavirus SARS-CoV-2. A mandatory campus-wide mask policy is in place, given the high level of contagion of this coronavirus and the implications of its disease COVID-19. Following guidelines from the Centers for Disease Control, face masks can be cloth

and must cover your nose and mouth. Masks must be kept on during classes and within all public places in campus buildings at all times as part of this community-wide effort to prevent more spreading of COVID-19. Failure to do so will be treated as a class disruption, per the Student Handbook, and will result in immediate dismissal from class.

Attendance Policy

Asynchronous Online Students

Online students may be dropped from the class if they fail to submit significant amount of assignments and are inactive prior to the March 30 instructor initiated drop deadline.

BB Collaborate Class Attendance Policy

Two unexcused absences are permitted without affecting the class participation grade. One letter grade will be subtracted from the Class participation grade for each absence beyond two. **More than six (6) unexcused absences will result in the student being dropped from the course with a failing grade.** Absences resulting from required school activities, direct personal emergencies, or health issues will be excused--but you must notify the instructor within one week of the absence and make up any class work in a timely manner.

Deadlines

Unless otherwise specified, all assignments will be turned in at the beginning of class on their due dates. All alternative arrangements must be approved before the relevant deadline. Late work without previous arrangement with me will only be accepted upon demonstration of extenuating circumstances.

SRSU Library Services

The Sul Ross Library offers FREE resources and services to the entire SRSU community. Access and borrow books, articles, and more by visiting the library's website, library.sulross.edu. Off-campus access requires your LoboID and password. Check out materials using your photo ID. Librarians are a tremendous resource for your coursework and can be reached in person, by email (srsulibrary@sulross.edu), or phone (432-837-8123).

Tutoring & Learning Center at the Wildenthal Library and Smart Thinking

Writing tutors are available in the library's Tutoring & Learning Center. An additional source for feedback and tutoring is Smart Thinking. Smart Thinking provides immediate access to tutors online and quick responses to written work. The link to Smart Thinking can be found on the course's Blackboard site.

Plagiarism and Academic Integrity

Dishonest acts, such as plagiarism (using words or a specific author's ideas from another source without acknowledging the source) or collusion (having other people write parts of your paper for you), may result in an "F" on the assignment and may lead to a disciplinary hearing conducted through the office of the Dean of Students, which could result in suspension or expulsion from SRSU. If you have questions about whether your use of other sources (such as books, websites, friends, or Writing Center tutors) is fair or not, please ask before turning in the work that you have a question about.

PROJECTS

1. Employment Project (370 points)

Step 1 of the project asks you to learn about and use various web-based resources for job seekers and select two jobs to pursue. "). Step 2 asks you to prepare resume/s suitable for the positions. Step 3 asks you to prepare cover letters (i.e., "Job Application Letters), each of which are "tailored" to its audience. In Step 4, you will assess your experience in a "Project Assessment Document," which is in memo format (header with to, from, date, re and block paragraphs with headings)

Elements of the Employment Project

1. Cover Memo, explaining how you adapted your two letters differently for the two different audiences and why (Project Assessment Document). 100 points
2. Two contrasting letters of application. 100 points
3. One resume. 100 points
4. Three pre-writing activities (70 points; 10 points each)

2. Instructions Project (200 points)

Giving special attention to graphics and layout, compose a brief instruction manual showing how to do something, how to assemble something or how something works. Prior to the project, analyze the rhetorical and design strategies in one example of instructions you find yourself. The project can convey a skill or a kind of technical knowledge. Then perform a usability study, testing to see if some is able to follow your instructions. Select an instructions project which in some way serves the needs of your client in the service learning project. There will also be a preliminary exercise which uses Legos or another form of module.

Elements of the Instructions Project

1. Examining Examples to Show Do's & Don'ts (50)
2. Lego Instructions with Usability Study (100)
3. Reflective Memo on your Lego Instruction design with Usability Test results (50)

3. White Paper Research Project (380 points total)

For the third project, you will be asked to do web-based research (and perhaps some library research) and to write an informative report about any issue important to you or your field of study. Typically in the past this has been an e-commerce project on technology in electronic commerce. This project will have six phases:

Elements of the White Paper Project

1. A rhetorical analysis of two published white papers using the ISIS for analysis. (100)
2. A statement of purpose (30)
3. Annotated Bibliography (100)
4. A graphic illustrating an important idea in your report (50 submit as draft)
5. A well-designed final report with graphics and bibliographical citation of sources (100)

4. Final Exam (50 points)

The final exam is the end of course assessment. It is intended to show improvement in writing skills by comparison with the beginning-of class assessment.

5. Three Quizzes (50 points each)

Based on readings from *Technical Communication Today*

GRADING

You can earn up to 1000 total possible points. The number of points needed to earn the following grades are: 900-1000=A, 800-899=B, 700-799=C, 600-699=D, 0-599=F.
