**Program Goals:**

1. Design authentic, learner-driven activities and environments that recognize and accommodate learner variability and accessibility. Students will be able to identify common barriers and issues surrounding improper implementation of technological tools in the educational setting, workplace, and/or professional environments.

2. Effectively model the International Society of Technology Education standards and good digital citizenship to inspire learners to use and integrate technology to create equitable and ongoing access to high-quality learning in an educational setting.

3. Plan, provide and evaluate the impact of professional learning for professionals and leaders to use technology to advance teaching and learning in an educational setting. Students will use the use both qualitative and quantitative data to inform their own instruction and professional learning.

4. Understand and apply learning theoretical frameworks and instructional methods to instructional design to facilitate engagement, systemic development, and authentic learning experiences.

This class will address the following Student Learning Outcomes (SLOs):
This course is designed as an introduction to the field of instructional design and technology.

By the end of the course, students will be able to:

1. Examine and reflect on areas of interest within the scope of educational technology practice for the capstone experience and case study project.
2. Complete a research certification training.
3. Design, research, analyze, and communicate outcomes of an action research-based case study to address a specific need within educational instructional technology.
4. Evaluate and select online resources and learning artifacts to communicate professional leadership growth over the course of the EIT program through the development and publishing of an electronic portfolio.

SRSU Distance Education Statement. Students enrolled in distance education courses have equal access to the university’s academic support services, such as Smarthinking, library resources, online databases, and instructional technology support. For more information about accessing these resources, visit the SRSU website. Students should correspond using Sul Ross email accounts and submit online assignments through Blackboard, which requires secure login information to verify students’ identities and to protect students’ information. The procedures for filing a student complaint are included in the student handbook. Students enrolled in distance education courses at Sul Ross are expected to adhere to all policies pertaining to academic honesty and appropriate student conduct, as described in the student handbook. Students in web-based courses must maintain appropriate equipment and software, according to the needs and requirements of the course, as outlined on the SRSU website.

Technical Support
The Support Desk is where you can direct your more technical questions. For example, the Support Desk can help you if you are having issues submitting a document, getting videos to play, or using BlackBoard. The support desk is open 24 hours a day/7 days a week for your convenience.

You can reach the support desk:
- By calling 888.837.6055
- Via email blackboardsupport@sulross.edu
- Using resources from the Technology Support tab within blackboard
- Clicking the Support Desk graphic on the course homepage

MS Teams Guidelines: Please refer and follow Distance Learning/MS Teams Guidelines provided in the blackboard course as a participation requirement in this class.

SRSU Library Services. The Sul Ross Library offers FREE resources and services to the entire SRSU community. Access and borrow books, articles, and more by visiting the library’s website, library.sulross.edu. Off-campus access requires your LoboID and password. Check out materials using your photo ID. Librarians are a tremendous resource for your coursework and can be reached in person, by email (srsulibrary@sulross.edu), or phone (432-837-8123).

Americans with Disabilities Act: Sul Ross State University is committed to equal access in compliance with the Americans with Disabilities Act of 1973. It is the student’s responsibility to initiate a request for accessibility services. Students seeking accessibility services must contact Student Services. Students seeking accessibility/accommodations services must contact Rebecca Greathouse Wren, LPC-S, SRSU’s Accessibility Services Coordinator at 432-837-8203 (please leave a message and we’ll get back to you as soon as we can during working hours), or email rebecca.wren@sulross.edu. Our office is located on the first floor of Ferguson Hall (Suite 112), and our mailing address is P.O. Box C-122, Sul Ross State University, Alpine, Texas, 79832.

And don’t forget, SRSU offers personal counseling services for students, faculty and staff.
SRSU Safety Pledge - One University/One Community
As a partner in each campus community, the faculty, staff, and students agree to the following statements in relation to the COVID-19 virus:
‣ I will wear a face covering, wash my hands, and disinfect my workspaces to protect others from the potential spread of this virus.
‣ I promise to follow social distancing guidelines as a way to mitigate the risk of transmission to others both professionally and personally.
‣ I will monitor my health and report any potential agreement to follow the guidelines set forth in this document or as described by Sul Ross State University to protect the public health.
‣ I understand that my actions may impact the larger community and could affect my academic progress or professional attainment at Sul Ross State University.
Failing to meet these expectations may be subject to corrective action under university disciplinary policies. Changes or recommendations to the guidelines based on evolving guidance from federal, state, or local agencies will be communicated to the university community.

ACADEMIC INTEGRITY: Academic dishonesty hurts everyone and reduces the value of college degrees. Doing someone else’s work, presenting the ideas and work of others as your own, submitting the same paper for multiple classes, and/or failing to cite your sources when you utilize the ideas of others, are all examples of academic dishonesty. It is your responsibility to read and understand the university’s policy on academic dishonesty in the SRSU Student Handbook, as all violations will be taken seriously and handled through the appropriate university process. The Student Handbook can be found at: https://www.sulross.edu/page/2454/student-handbook (page 80).
In addition, please note that plagiarism detection software will be used in this class for written assignments, as well as monitoring software for course exams.

Grading: All assignments are due on the date posted. Late work WILL NOT be accepted!
