

CYBER ETHICS CSST 1370

Spring 2022

Instructor:	Tim Fielder	Time:	TR 14:00 – 15:15
Email:	tlfielder@gmail.com	Place:	BAB 302

Office Hours: By Appointment

Textbook: None

Course Description: This course focuses on computer science programming ethics and management ethics with consideration for others. Students are expected to meet the learning objective of the course through a wide range of activities to include reading, viewing, researching, programming and completing lab access assignments as well as participation in collaborative projects and a community interaction project.

Grading Policy: You will be asked to research and present on certain historical events. These will be the majority of your grade. Grades for these presentations and for the final will be posted on Blackboard.
