that are conducive to student learning and staff professional growth.

- **DOMAIN III-HUMAN CAPITAL (Human Resource Management)**

- **Competency 5-The beginning principal knows how to provide feedback, coaching, and professional development to staff through evaluation and supervision, knows how to reflect on his/her own practice, and strives to grow professionally. 2**

- **Competency 6-The beginning principal knows how to promote high-quality teaching by using selection, placement, and retention practices to promote teacher excellence and growth.**

- Students will learn that professional development is a continuous, ongoing process.

- Students will learn how to implement and monitor a professional development and how to measure its impact on student achievement.

- Students will know how to implement a staff evaluation and development system to improve the performance of all staff members and apply the legal requirements for personnel management.

- **DOMAIN IV-EXECUTIVE LEADERSHIP (Communication and Organizational Management)**

- **Competency 7-The beginning principal knows how to develop relationships with internal and external stakeholders including selecting appropriate communication strategies for particular audiences.**

- **Competency 8-The beginning principal knows how to focus on improving student outcomes through organizational collaboration, resiliency, and change management.**

- Students will learn the steps to creating an action plan for school improvement and will gain practical knowledge and application by creating an action plan.

- Students will learn theories relating to the organizational structures of schools and the school culture that defines them.

- Students will know how to apply organizational, decision-making and problem-solving skills to ensure an effective learning environment.

- Students will examine instructional theories in practice that increase student achievement and turn schools around.

- **DOMAIN V-STRATEGIC OPERATIONS (Alignment and Resource Allocation)**

- **Competency 9-The beginning principal knows how to collaboratively determine goals and implement strategies aligned with the school vision that support teacher effectiveness and positive student outcomes.**

- **Competency 10-The beginning principal knows how to provide administrative leadership through resource management, policy implementation, and coordination of school operations and programs to ensure a safe learning environment.**

- Students will learn how to mobilize resources to promote student success.

- Students will learn the difference between being a “leader” and a “manager.”

- Students will examine, analyze, and reflect on all the principal managerial functions that sustain the campus.

- Students will examine the functions of human resources, food services, transportation, budget, class scheduling, and safety, and how these managerial functions affect student learning.

- Students will know how to apply principles of effective leadership and management.

- Students will know how to apply principals of leadership and management to the campus physical plant and support systems to ensure a safe and effective learning environment.

- **DOMAIN VI-ETHICS, EQUITY, AND DIVERSITY**

- **Competency 11-The beginning principal knows how to provide ethical leadership by advocating for children and ensuring student access to effective educators, programs, and services.**

Syllabus | ED7102 Practicum III

Spring 2022

- Students will know how to communicate and collaborate with all members of the school community, respond to diverse interests and needs.
- Students will learn the importance of diversity and meeting the needs of all learners.
- Students will know how to act with integrity, fairness, and in an ethical and legal manner.

ED 7102 will address the following Student Learning Outcomes (SLOs):

The practicum serves as a capstone course for the principal certification program. It is designed to allow the intern the opportunity to practice the knowledge gained under the supervision of a certified principal or superintendent in the field and university faculty. Interns will be supervised in the role of principal in the public schools. Student Learning Objectives: At the conclusion of this course, students will be able to do the following:

- Data Driven Instruction3 • Components of quality assessments, including alignment and rigor (K)
- Multiple forms of assessment (K)
- Definition of “highest leverage” (K)
- Qualities of a strong student exemplar aligned to the standard (K)
- Components of a strong reteach plan (K)
- Data collection tools and analysis protocols (K)
- Implement consistent systems for the collection of student achievement data at regular intervals (formative and summative) (S)
- Intentionally plan all components of the data meeting, including anticipated teacher responses. (S)
- Establish strong systems and protocols to ensure that all teachers have a clear understanding of their role, in order to ensure participation and timeliness. (S)
- Deeply understand the focus standard and define the aligned exemplar response. Create or identify an exemplar response so that all can see the bar for rigor. (S)
- Analyze student work to identify the gaps between student performance and the exemplar, to identify the highest leverage misconception. (S) • Leverage reflective questioning to support the teacher in uncovering the highest leverage error and conceptual misunderstanding (S)
- Identify the most appropriate approach to teach highest leverage misconception. (S)
- Plan intentional practice to support teachers in their ability to address the misconception during the reteach (S)
- Provide in-the-moment feedback to support teachers in ensuring their reteach effectively addresses the highest leverage misconception (S)
- A conceptual adjustment involves the need to know each student’s mastery, or lack of, after every lesson and concept has been taught (M)
- Leaders should push teachers to develop a better understanding of why students are not performing well on content that has been taught and what action is needed (M)
- The use of rubrics containing a progressive continuum of performance expectations that better support teacher reflection and development is best practice (M)
- Data driven instruction can serve student achievement in multiple formats – it should look different to support different ages and ability groups (M)
- To effectively address student errors and misunderstandings, students should receive feedback and practice until they demonstrate mastery of the skill entirely on their own (M) Observation and Feedback

Syllabus | ED7102 Practicum III

Spring 2022

- Standard criteria for teacher performance on a continuum of proficiency (K)
- Developmental process of acquiring pedagogical skills in terms of both management and rigor (K)
- Definition of “highest leverage” (K)
- Characteristics of high quality action steps (K) • Qualities of a strong exemplar (K)
- Qualities of strong reflective questions (K)
- Develop structures to support the scheduling and implementation of observation and feedback cycles (S)
- Develop systems to track teacher action steps (S)
- Observe instruction through the lens of standard criteria for teacher performance (S)
- Collect low inference data throughout the observation (S) 4
- Identify the highest leverage gap in teacher performance in relation to standard criteria for teacher performance. (S)
- Develop an aligned action step which is bite-sized, high leverage, and observable and clearly “name it” in plain language. (S)
- Identify or define the exemplar implementation of the highest leverage action step, so that the teacher can “see it”. (S)
- Leverage reflective questioning and low inference evidence to support the teacher in identifying the key elements of the exemplar. (S)
- Analyze teacher actions in relation to the exemplar to identify the highest leverage gaps in the teacher’s performance. (S)
- Leverage reflective questioning to support the teacher in uncovering the highest leverage gaps in their performance. (S)
- Intentionally plan for the practice, with the teacher, ensuring practice aligns to stated action step and the exemplar. (S)
- Facilitate teacher practice in alignment with the stated action step. (S)
- Provide in-the-moment feedback to the teacher to ensure that practice aligns to the stated action step and the exemplar. (S)
- Intentionally plan for a follow-up observation to ensure implementation of the action step. (S)
- Teachers deserve consistent feedback around their practice to fine tune their skills and improve (S)
- Feedback is most effective when it includes concrete action steps, which can be implemented within a week (K)
- Short-cycle, bite-sized feedback allows teachers to develop knowledge and skills rapidly (K)
- Practice is the most impactful component of the coaching conversation in supporting teachers in the development of new skills (K)

ED 7102 will address the following Marketable Skills:

- Students will be able to manage and lead diverse groups of people.
- Students will be able to communicate professionally through diverse written and in-person formats, including e-mail, memos, facilitating meetings, etc. to an array of audiences, including internal and external stakeholders.
- Student will be able to gather information and analyze data to define campus needs, set goals, to solve a diverse set of problems.

Syllabus | ED7102 Practicum III

Spring 2022

- Students will be able to exercise administrative leadership to ensure resource management, policy implementation, and coordination of organizational operations in an ethical manner.

Assignments and Grades

The Assignments are listed below. Descriptions are found in the Educational Leadership Practicum Handbook which is incorporated into this Syllabus. Students should read the Handbook carefully. The grading policy for this course is as follows: Students must complete all Practicum required hours, meetings, and paperwork.

CATEGORIES		
Abbreviations	Description of Categories	Percentage of Total Grade
DT Meeting w/Post-Docs	Data Team Meetings, Participation Points, and Post-Meeting Documents: i.e., surveys, meeting evaluations, conversation tracker, plans for subsequent meetings	60%
Sup Meet & Docs	Class/Field Supervisor/Mentor-Site Supervisor Meetings and Signed Observations, Logs & Reflections	30%
Admin Training & Forms	Administrative Practicum Forms	10%

Grading Policy:

1. Late assignments will lose 20% of possible points for each day it is late.
2. All citations should be formatted using the American Psychological Association (APA) manual. Papers with

Syllabus | ED7102 Practicum III Spring 2022

APA

citation errors will receive a reduction in points or no credit.

3. Extra credit points are not available.
4. ***There are no I's (incompletes) for this class.***
5. After 11:45 pm on the date for any assignment due is considered late and will result in a lowered grade for that assignment.
6. There are no optional assignments in this course. All assignments must be completed to pass this class. Even if an assignment is so late that it will receive a "0", the student must turn in the assignment to pass the course (regardless of number of points accrued in the course.)
7. Students who fail to participate in Discussion Board or complete any assignment may not pass this course.

Grading Scale

100-90% equate to an A

89-80% equate to a B

79-70% equate to a C

69-60% equate to a D

59-50% or less receive an F.

"Cs" are not accepted in this program. Students scoring below a "B" in this course will be required to repeat the course to remain in the Educational Leadership Program. Changing the rotation by repeating this course will likely delay completion of the program as the program is sequential and the rotation must be followed.

Blackboard and Online Access

This class is taught online. Students will need an active Sul Ross account to access the course website through Blackboard. This site will have announcements, calendar, and learning modules, among other things. Students will meet for class via Blackboard Collaborate (Virtual Classroom). Students must have a microphone and camera.

Learning Environment & Grading Policy

Successful completion of an online course requires dedication and constant effort. Do not fall behind in your work! Begin your assignments as soon as possible and get at least one module ahead. This will help you avoid the penalty for late work because there are always unforeseen events that arise. Submit professional quality work. Have someone proofread your submittals and always use the grammar and spell check functions on your computer before submission.

If you are not sure what plagiarism is, please read APA pp. 15-16 and 170, or ask during office hours. But remember, the ultimate responsibility is your own. When in doubt, err on the side of caution.

Syllabus | ED7102 Practicum III Spring 2022

Internet Web Resources

The sources below are only convenient starting points for your Internet based research. You are expected to locate professional, peer-reviewed publications as reference material on papers submitted in this class. Sul Ross Library recommended databases include the following: Academic Search Premier, Dissertation Abstracts, Education Abstracts, Educator's Reference Desk, eLibrary Curriculum, Emerald Management Xtra, ERIC (from EBSCO), Professional Educational Development Collection, WorldCat, WorldCat Dissertation & Theses.

Format Requirements for Submittals

All submittals must be professional papers. Do not submit your assignments in a "homework" or "school assignment" format. Each submittal should be written as if it were an actual professional paper ready for publication or for transmission to the addressed recipient using APA.

A title page is not necessary. Put a single-spaced heading in the top left corner of the first page only that provides: student name, date, assignment name and number. Also, put your name and the assignment number in the document's file name. (To do this, click on "Save as" and under "File name" put your name and assignment number.)

Academic Integrity

All students are expected to demonstrate scholarly behavior and academic honesty in the use of intellectual property. Examples of academic dishonesty include but are not limited to

- Turning in work as original that was used in whole or another course and/or professor
- Turning in another's work as one's own
- Copying from professional works or Internet sites without citation

Any of the above offenses will result in a zero for the assignment with not option to redo for credit.

Diversity Statement

I aim to create a learning environment for my students that supports a diversity of thoughts, perspectives and experiences, and honors your identities (including race, gender, class, sexuality, religion, ability, socioeconomic class, age, nationality, etc.). I also understand that the crisis of COVID, economic disparity, and health concerns, or even unexpected life events could impact the conditions necessary for you to succeed. My commitment is to be there for you and help you meet the learning objectives of this course. I do this to demonstrate my commitment to you and to the mission of Sul Ross State University to create an inclusive environment and care for the whole student as part of the Sul Ross Familia. If you feel like your performance in the class is being impacted by your experiences outside of class, please don't hesitate to come and talk with me. I want to be a resource for you.
