**PRE-TEST:** By Friday at 11:59 p.m. of the first week, please take the pre-test on Blackboard. This will serve as a pre-test for the course and give me an idea of where everyone stands starting out. **YOU GET THE FULL 50 points** if you complete the pre-test by Friday at 11:59 p.m. There is no penalty for incorrect answers. Please do NOT use your books or any other resources for the pre-test.

**WEEKLY APPLIED ASSIGNMENTS:** For Chapters 2-12, after you have completed reading and reviewing the materials on the folder for each chapter, you will complete a weekly applied assignment. The instructions for each weekly assignment are in Blackboard in each chapter’s folder. The weekly assignments are due by Friday at 11:59 p.m. and are worth 50 points. NOTE: There is not an assignment for Chapter 8.

**WEEKLY DISCUSSION BOARD:** Even though we are on online class, I would like to have some sort of class interaction. Each week, starting with Week 2, **post the following related to the readings and materials for the chapter we are covering by Wednesday at 11:59 p.m.:**

3 things I learned:

1. Complete sentence
2. Complete sentence

3. Complete sentence
- 2 things I want to learn more about/need clarification on:

  2. Complete sentence

Question for the class

DQ: Post your question

**After you have made this post, you will need to respond to the discussion question of one other student by Friday at 11:59 p.m.** Each discussion board is worth 12 points. Please see the information at the end of the syllabus for more information about discussion board questions, responses, and expected behavior. **NOTE: All discussion boards are “post-first” boards, meaning you will not see the posts of your classmates until you post.**

**CLASS MEETINGS/LECTURE:** I will be having a virtual class meeting on the first day of classes, **January 10, at 1 p.m.**, to answer any questions you have about the course. I have tried to have weekly virtual meeting times for asynchronous web courses before, and they are very poorly attended—frequently, no students attend. For this reason, I will NOT be doing a weekly meeting time. Instead, a mini lecture recordings are posted in your chapter folders for you to view at your convenience, as well as some longer lectures from full synchronous web courses I have conducted in recent semesters. I am also available for scheduled virtual meetings. Please just email me to set those up! In addition, I will be teaching a hybrid course on Tuesdays/Thursdays at 11 a.m.-12:15 p.m. You are welcome to join via Blackboard Collaborate. Please email me if you want the link to join.

**EXAMS:** There will be a mid-term exam and a final exam in this class. Both will be available on Blackboard on the days and times specified below. PLEASE PUT THESE IN YOUR CALENDAR NOW. For each, you will have two hours from the time you start to finish the exam. Each is worth 150 points.

## **GUIDELINES FOR DISCUSSION QUESTIONS**

--A good discussion question meets the following criteria:

- Is clear and easy to understand
- Has appropriate grammar, spelling, and punctuation
- Allows your classmates the opportunity to apply or critically think about a concept from the readings or to discuss an issue that is **relevant to the topics for the week**
- Is open-ended, allowing for a 2-3 sentence response. Adding a “why or why not” follow up question is appropriate
- Encourages deeper exploration of course topics
- Helps bring in new knowledge to the learning environment

--A good discussion question DOES NOT

- Ask for specific answers that can be easily found in the book or online (you’re not testing your classmates)
- Promote a certain opinion (e.g., Do you agree that meeting yearly is a bad idea?)
- Duplicate questions from other sources or assignments—create questions in your words
- Reword a quiz question
- Present inaccuracies (e.g., Why do we limit the number of terms the governor can serve?)

### **Responding to Discussion Questions**

When you respond to discussion questions, you need to respond to questions that meet the criteria above. Your responses should be at least 2-3 complete sentences. No more than FOUR students should respond to the same question to avoid exhausting a topic. **Also, use the “Reply with Quote” option when responding to a question from your classmate.** Students must also adhere to the basic ground rules below.

## **GROUND RULES FOR DISCUSSION BOARDS**

SOURCE: Center for Teaching and Learning. (2020). Sample discussion board ground rules. Retrieved from <https://ctl.wiley.com/sample-discussion-board-ground-rules/>

- **Ask questions.**  
If you find something confusing or want to know more, do not hesitate to ask questions. Make sure to post your questions in the appropriate thread.
- **Participate.**  
Do not hide in the background; it is not fair to lurk and let others do all the work. Contribute to discussions to get as much as possible from the course and to maintain your participation grade.
- **Do not dominate a discussion.**  
Share your knowledge, but not to the point of excluding others. If you have something to offer, please share it, but allow everyone to contribute equally to a discussion.
- **Be intellectually rigorous.**  
Do not excuse sloppy or illogical thinking. Challenge yourself and one another.
- **Be tactful.**  
Be critical of ideas, but remember there are other people involved. Be tactful and kind. You can hurt the feelings of a person reading your post.
- **Forgive other students’ mistakes.**

Do not correct others, even if you follow the rules of netiquette and use good manners. Just because you do not agree with a student's post does not mean that he or she is wrong. Instead, offer a different perspective to encourage further discussion.

- **Read the whole thread before posting.**  
Read all the posts in a thread before responding so you don't repeat what others have already said. Try to contribute clarifying information or a new idea to a discussion.
- **Be concise.**  
Do not waste people's time by posting basic, repetitive information. Make your point clearly and quickly.
- **Reread and check your posts.**  
Practice professionalism. Be mindful of how you look online; others will likely judge the tone and quality of your writing. Reread your posts and edit for clarity and mechanics.
- **Cite your sources.**  
If you use a source, cite it properly. Give credit where credit is due. Include links where appropriate.
- **Maintain confidentiality.**  
Respect your classmates' privacy. Do not repeat the personal information that others share.
- **Report technical problems.** If the platform is not working properly, please let me know as soon as possible.

## **OTHER COURSE POLICIES & RESOURCES**

**ACADEMIC INTEGRITY:** Intellectual development requires hard work. Academic dishonesty severely interferes with this development and reduces the value of college degrees. Presenting the ideas or work of others as your own, submitting the same paper for multiple classes, doing someone else's work, and/or failing to cite your sources when you utilize the ideas of others, are all examples of dishonest academic conduct. As an SRSU student, it is your responsibility to read and understand the university's expectations about academic integrity. All violations will be taken seriously and handled through the appropriate university process. The policy can be found at:

<https://www.sulross.edu/about/administration/university-policies/>

In addition, please note that plagiarism detection software will be used in this class for written assignments.

If you have any questions about this, please ask!

**LATE WORK:** I have been very intentional about how I have designed this course and distributed the content to optimize your learning and comprehension. Trying to cram weeks of work into a few days or waiting until the end of the semester to do everything isn't conducive to learning. For this reason, you must have an extenuating circumstance and approval from me to submit late work. If you submit late work without an approved extension from me, I reserve the right not to grade it. **IMPORTANT NOTE:** Since university-related travel (e.g., travel for athletics competition) is planned in advance (with a few exceptions), make sure to plan ahead and submit assignments before departure to avoid missing deadlines.

**COURSE BLACKBOARD RESOURCES:** There are several resources on the course Blackboard page. You are expected to review and familiarize yourself with the items in Blackboard in the first week of class. **NOTE:** Please post general, course-related questions to the discussion board forum I have set up for this. Typically, if one student in the class has the question, others do as well. Please allow 24 hours for a response, and then feel free to email me or call me directly with your question.
