OTHER COURSE POLICIES & RESOURCES

ACADEMIC INTEGRITY: Intellectual development requires hard work. Academic dishonesty severely interferes with this development and reduces the value of college degrees. Presenting the ideas or work of others as your own, submitting the same paper for multiple classes, doing someone else's work, and/or failing to cite your sources when you utilize the ideas of others, are all examples of dishonest academic conduct. As an SRSU student, it is your responsibility to read and understand the university's expectations about academic integrity. All violations will be taken seriously and handled through the appropriate university process. The policy can be found at: <https://www.sulross.edu/about/administration/university-policies/>

In addition, please note that plagiarism detection software will be used in this class for written assignments.

If you have any questions about this, please ask!

LATE WORK: I have been very intentional about how I have designed this course and distributed the content to optimize your learning and comprehension. Trying to cram weeks of work into a few days or waiting until the end of the semester to do everything isn't conducive to learning. For this reason, you must have an extenuating circumstance and approval from me to submit late work. If you submit late work without an approved extension from me, I reserve the right not to grade it. **IMPORTANT NOTE:** Since university-related travel (e.g., travel for athletics competition) is planned in advance (with a few exceptions), make sure to plan ahead and submit assignments before departure to avoid missing deadlines.

INCOMPLETE POLICY: We do have the ability to assign students an incomplete at the end of a course. However, two things are typically required for an incomplete to be granted: 1) an extenuating circumstance, and 2) most of the work for the course has been completed. In our program, we have been very flexible with this policy, especially in the last two years. However, we are not seeing the best results from students who are granted this option. In addition, we feel that it has created a level of unfairness for students who finish all their work by the stated deadlines. Therefore, not only will we be using this option more sparingly, but we will also be assessing a grade letter penalty for incomplete classes. This means that the highest grade possible when using this option will be a "B" in the course. In addition, as of SRSU policy changes in Fall 2021, the max extension for an incomplete is 6 months, and incompletes are calculated as an "F" in your GPA.

COURSE BLACKBOARD RESOURCES: There are several resources on the course Blackboard page. You are expected to review and familiarize yourself with the items in Blackboard in the first week of class. **NOTE:** Please post general, course-related questions to the discussion board forum I have set up for

this. Typically, if one student in the class has the question, others do as well. Please allow 24 hours for a response, and then feel free to email me or call me directly with your question.
