Syllabus | ED7101 Practicum II Fall 2022-1st 8 Weeks

100-90% equate to an A,
89-80% equate to a B
79-70% equate to a C
69-60% equate to a D
59-50% or less receive an F.

“Cs” are not accepted in this program. Students scoring below a “B” in this course will be required to repeat the course to remain in the Educational Leadership Program. Changing the rotation by repeating this course will likely delay completion of the program as the program is sequential and the rotation must be followed.

Blackboard and Online Access

This class is taught online. Students will need an active Sul Ross account to access the course website through Blackboard. This site will have announcements, calendar, and learning modules, among other things. Students will meet for class via Zoom (Virtual Classroom). Students must have a microphone and camera.

Learning Environment & Grading Policy

Successful completion of an online course requires dedication and constant effort. Do not fall behind in your work! Begin your assignments as soon as possible and get at least one module ahead. This will help you avoid the penalty for late work because there are always unforeseen events that arise. Submit professional quality work. Have someone proofread your submittals and always use the grammar and spell check functions on your computer before submission.

If you are not sure what plagiarism is, please read APA pp. 15-16 and 170, or ask during office hours. But remember, the ultimate responsibility is your own. When in doubt, err on the side of caution.

Internet Web Resources

The sources below are only convenient starting points for your Internet based research. You are expected to locate professional, **peer-reviewed** publications as reference material on papers submitted in this class.

Sul Ross Library recommended databases include the following: Academic Search Premier, Dissertation Abstracts, Education Abstracts, Educator’s Reference Desk, eLibrary Curriculum, Emerald Management Xtra, ERIC (from EBSCO), Professional Educational Development Collection, WorldCat, WorldCat Dissertation & Theses.

Format Requirements for Submittals

All submittals must be professional papers. Do not submit your assignments in a “homework” or “school assignment” format. Each submittal should be written as if it were an actual professional paper ready for publication or for transmission to the addressed recipient using APA.

A title page is not necessary. Put a single-spaced heading in the top left corner of the first page only that provides: student name, date, assignment name and number. Also, put your name and the assignment number in the document’s file name. (To do this, click on “Save as” and under “File name” put your name and assignment number.)

Academic Integrity

All students are expected to demonstrate scholarly behavior and academic honesty in the use of intellectual property. Examples of academic dishonesty include but are not limited to

- Turning in work as original that was used in whole or another course and/or professor
- Turning in another’s work as one’s own
- Copying from professional works or Internet sites without citation
