Course Description:

The senior piano recital is intended to be a culmination of a student's applied music study. Students will discuss repertoire and expectations with the instructor. The proposed program must be approved in writing by a committee comprised of no fewer than three (3) music faculty.

Student Learning Objectives:

1. The student will be able to discuss in details logistics related to organization and presentation of a senior recital
2. The student will be able to organize and direct effective rehearsals if other performers are involved
3. The student will gain a greater knowledge of piano literature
4. The student will be able to critique a musical performance, including his or her own, with specific feedback regarding accuracy and musicality
5. The student will understand and follow deadlines for preparing a program and program notes

Grading:

Students will be graded on the basis of preparation for weekly lessons and on the overall musical quality, preparation, and presentation of the senior recital.

Pre-recital Jury:

The entirety of the senior recital must be performed a minimum of 2 weeks prior to the scheduled recital date and played before a committee of no less than 3 music faculty members. If the student is determined to be unprepared for the recital after the jury hearing, the recital may be postponed or cancelled at the discretion of the committee.

Electronics:

The use of cell phones and/or other electronic devices during lessons is prohibited.
