## **COURSE REQUIREMENTS**

**I. Attendance (100 points total, ½ points deducted for coming to class late).** Get points for coming to class each day; ½ points deduction for coming late. If tardy, must talk to the professor after class in order to get ½ points. Don't assume the professor will automatically change your grade after the class. If come to class late and don't talk to the professor after class, points will not be awarded for being late and will stay a 0. If class is missed without a verified, documented reason, the student will not receive the participation points for that class, and attending class does not in and of itself does not guarantee that a student will earn the points. In-class assignments and labs, which are missed due to class absence may not be made up unless the student has a verified reason in writing (medical, family funerals, a car breaks down on the way to class, military service, excused athletic travel & competition listed in their competitive schedule for SRSU student-athletes, etc., with written documentation) for missing class, and contacts the instructor via email, on the day missed or prior to make arrangements to complete the lab or to turn in missed work prior to the next class.

**II. Quizzes (100 points for each test, 200 points total).** No late quizzes will be accepted after due dates.

**III. Assignments (50 point search, 200 point total).** Assignments are expected to be submitted via Word or PDF document **ONLY**. Screenshots in any form from cell phones will not be accepted and equate to an automatic '0' for that assignment.

**IV. Discussion Questions (50 points each, 100 points total).** Discussion boards are expected to be in full comprehensive sentences in the required amount of words.

**V. Midterms and Final (200 points each, 400 points total).** Midterm and final will be research and application based and will not be in the form of a test/quiz. Students are expected to submit quality work for these assignments and be well versed for their application of the assigned topic. **Combined these are nearly 50% of the total grade for this class.**

### **ALL COURSE REQUIREMENTS DEADLINE**

Due to the time requirement for grading purposes, all course requirements must be submitted/completed by the 'Course Requirements Deadline' of **Monday in Week 16 at 11:59 pm** to be counted for credit towards the final letter grade in this course. There will be no exceptions to this policy. Late deductions will apply as per the above policy.

### **LATE WORK POLICY**

All coursework must be submitted by the provided due dates in Blackboard or Connect. LearnSmart readings must be completed by the due date for credit – **NO LATE WORK WILL BE ACCEPTED**. All other work: labs, activities, discussions, tests, and homework carry a 30% deduction for 1-7 days late. For consideration to turn in work passed 1 week late must be approved by the professor for grading consideration. ## **Academic Integrity Statement**

Students in this class are expected to demonstrate scholarly behavior and academic honesty in the use of intellectual property. A scholar is expected to be punctual, prepared, and focused; meaningful and pertinent participation is appreciated. Professors may require a student who deviates from this expectation to leave the face-to-face (or virtual) classroom learning environment for that particular class session (and potentially subsequent class sessions) for a specific amount of time. In addition, the professor might consider the university disciplinary process (for Academic Affairs/Student Life) for egregious or continued disruptive behavior.

## **Academic Affairs Service Statement**

Sul Ross faculty, staff, and students are expected to model responsible citizenship through service activities that promote personal and academic growth while enhancing the university, local, regional, national, and global communities. ## **Classroom Climate of Respect**

Importantly, this class will foster free expression, critical investigation, and the open discussion of ideas. This means that all of us must help create and sustain an atmosphere of tolerance, civility, and respect for the viewpoints of others. Similarly, we must all learn how to probe, oppose and disagree without resorting to tactics of intimidation, harassment, or personal attack. No one is entitled to harass, belittle, or discriminate against another based on race, religion, ethnicity, age, gender, national origin, or sexual preference. Still, we will not be silenced by the difficulty of fruitfully discussing politically sensitive issues.

## **Diversity Statement**

I aim to create a learning environment for my students that supports a diversity of thoughts, perspectives and experiences, and honors your identities (including race, gender, class, sexuality, religion, ability, socioeconomic class, age, nationality, etc.). I also understand that the crisis of COVID, economic disparity, and health concerns, or even unexpected life events could impact the conditions necessary for you to succeed. My commitment is to be there for you and help you meet the learning objectives of this course. I do this to demonstrate my commitment to you and to the mission of Sul Ross State University to create an inclusive environment and care for the whole student as part of the Sul Ross Familia. If you feel like your performance in the class is being impacted by your experiences outside of class, please don't hesitate to come and talk with me. I want to be a resource for you.
