Phone: Alpine: 432-837-8002; Cell: 325-725-7025

Office: Alpine-None; Abilene-Home

Office Hours: *All office hours are virtual!!!*

I am generally available from 9:30 to 11:30, Monday through Friday and Friday/Saturday by appointment only. I am not generally available on Sunday except for dire emergencies. All “office” visits should be scheduled, and will be through either Blackboard Collaborate, email, text, or phone call. Just a hint/word to the wise. I do not generally take phone calls. They leave no record of what was discussed, and we are left to depend on memory. I much prefer some form of written format in which we can memorialize what was said for future review.

All other times by appointment only, well in advance!!!

Text Book:

Sampson, P (2015). Preparing for and passing the school superintendent test of Texas, 2nd edition. Lancaster, PA; DEStech publications, Inc. ISBN: 978-1-60595-216-1

Requirements:

These courses require you to fulfill a 160 clock hour Practicum with a school official who has Texas superintendent certification for the semester. It must involve tasks emphasizing school district leadership, general superintendent duties, finance, and school board relations, and should provide you with the opportunity to be placed in direct leadership situations in these areas to the

greatest extent possible.

The following are required:

1. You must provide a letter from the superintendent of the district where you will be completing your practicum agreeing to supervise your practicum ***prior to*** establishing any credit for tasks completed. If you complete tasks associated with your practicum prior to the submission of the letter of permission from the superintendent, they ***will not count*** toward your needed hours.
2. You must complete and submit your three meetings in video with sound format as your observations for the semester. They are fully addressed in the assignment area of Blackboard.
3. You must submit a completed log of all the hours you have earned in your practicum. It is ***all one practicum...I cannot emphasize this enough: you are in one semester-long practicum.*** I have attached a log form for you to use and as this is promulgated by the TEA, you must use this log form. The final Practicum Logs submitted at the end of the semester ***must be signed by both you and your practicum supervisor.***
4. You **MUST** carefully read the Program Handbook which is found under the resources tab of this course in Blackboard and submit all forms and documents discussed in the handbook.
5. You must complete the Kignito activity prior to the end of the semester. This activity relates to mental health.
6. You must complete the Dyslexia activity prior to the end of the semester. This activity provides you with an open awareness of the Dyslexia and how to work with this program.
7. You must complete the Digital Literacy activity prior to the end of the semester. This activity will provide for you the information you will need to be a quality superintendent in the digital age.
8. While these activities, mentioned in 6-8 above will not count in your final grade, you will not be awarded credit for this course until they are successfully completed, and you demonstrate a passing grade on each of them.

following rules of common courtesy:

- a) Check the course website frequently and respond appropriately and on subject.
- b) Focus on one subject per message and use pertinent subject titles
- c) Capitalize words only to highlight an important point or for titles. Capitalizing otherwise is generally interpreted as SHOUTING!
- d) Be professional and careful with your online interaction. Remember that you should be comfortable with your statements if they were published on the front page of the local newspaper.
- e) Cite all quotes, references and sources.
- f) Never forward someone else's messages without their permission as this is considered to be extremely rude and a violation of confidence.
- g) Use humor with care. The absence of face-to-face cues and body language can lead to misunderstandings. Feel free to use emoticons such as :) or ;) to communicate that you are being humorous.
- h) All discussion postings should be of top quality, on time, and rich in text. This means no comments such as "at a boy", "you go girl", "I agree with that", "couldn't have said it better myself", etc. will be considered master degree quality responses. Make sure to take the time to add richness to the discussion and make connections to the many theories in instructional leadership that will be covered in this course. Remember, postings are tracked for quantity, quality, and punctuality as set forth in this syllabus. (The above "netiquette guidelines were adapted from Rinaldi, A. (1994) The Net User Guidelines and Netiquette, Florida Atlantic University, available from Netcom).
