MS 5- Analyzing the Factors Contributing to Crime

CLASS ATTENDANCE/PARTICIPATION:

Given that this is a fully online course, you cannot attend class in a traditional sense. However, students are expected to log into the class at their earliest convenience to check the course web page every day for announcements. Weekly forum discussions are a required part of class participation.

REACTION PAPERS (15 POINTS EACH)

You will write a reaction paper every week. Each paper must be 1 page and 1.5-spaced in 12-point Times New Roman font. Reaction papers will be related to the reading of the week. When there is more than one reading assignment, then the students **SHOULD READ ALL REQUIRED READINGS BUT WRITE REACTION PAPER ON ONE OF THEM**. A reaction paper is not a summary; rather, it should include your perspective, ideas, and critique about the reading. The due dates for the reaction papers will be Sunday 11:00 pm each week.

WEEKLY QUIZZES/DISCUSSIONS (10 POINTS EACH)

You will take a quiz for every week to measure the knowledge of the week's required readings. The questions will be posted Friday 1:00 pm and due date will be Sunday 11:00 pm every week.

MIDTERM EXAM (200 POINT)

For your midterm exam, you will prepare an annotated bibliography of 10-12 sources as part of your final paper literature. Use scholarly, scientific, peer-reviewed articles. Credit will not be given for articles that are not from scholarly journals (The only exemption will be government/expert reports). Don't use web articles unless they are copies from a journal article, no magazines such as NYT, Time or Newsweek, etc. Scholarly research articles use the scientific method to examine an issue. While you are preparing your bibliography, try to answer these questions about the source you are reading. These answers/annotations should include one or more sentences.

1. Name the author(s)
2. What was the purpose of the author in writing the piece?
3. What are the author's major assertions or findings?
4. How does the author support these findings?
5. Compare or contrast this work with another you have cited
6. Discuss how this work explains your selected topic
7. Information about the research methods used in the source
8. Above all write an intro paragraph about your topic and why do you think it is important

Format Rules:

1. You will prepare your bibliography by using the American Psychological Association (APA) for showing your citations for these resources.

For APA format, you can check these websites:

<https://apastyle.apa.org/style-grammar-guidelines/citations>

https://owl.purdue.edu/owl/research_and_citation/apa_style/apa_formatting_and_style_guide/general_format.html

<https://www.citationmachine.net/>

2. 300-400 words for each article (excluding the article title)

FINAL PAPER (400 POINTS)

The paper should include at least ten **SCHOLARLY CITATIONS** (not website articles, Wikipedia, news agencies, magazines, etc.), be ten to fifteen pages long (not including cover page and list of references), and typed double-spaced in 12-point Times New Roman font. Be sure to follow APA formatting and citation guidelines. A detailed guide for the steps completing this paper will be added to the Blackboard. **FINAL PAPER SUBMISSION WILL BE IN THREE SUBSEQUENT STEPS. FOR IMPORTANT DATES CHECK THE ACADEMIC CALENDAR BELOW.**

A plagiarism detection software (SafeAssign) is used in this course. SafeAssign will detect and report all instances of plagiarism including where the student copied and pasted directly from a source. Students will receive a grade of zero in these instances and possibly fail the course. Your weekly reaction papers and the final paper will be submitted through SafeAssign. Detailed instruction for using this software will be uploaded on BlackBoard.

ACADEMIC INTEGRITY:

Sul Ross State University students are responsible for reading, understanding, and abiding by the Sul Ross Student Code of Conduct.” Student Code of Conduct, Responsibilities, Procedures, and Rights are found in the University website.

Sul Ross State University and the instructor of this course both place a high priority on the academic integrity of their student scholars. As a result, all institutional guidelines and instructional policies concerning academic integrity will be strictly and uniformly enforced with all students regardless of context.

Academic integrity includes, but is not limited to, the following activities: cheating, plagiarism, collusion, fabrication, obtaining an unfair advantage, and falsifying academic records. In addition, academic dishonesty can include both actions and omissions to act in regards to academic exercises and activities. Cheating is defined here as the obtaining of information (electronic or otherwise) during an examination, the unauthorized use of books, notes, or other sources of information prior to or during an examination, the unauthorized use of books, the removal of faculty examination materials, the alteration of documents or records, or actions identifiable as occurring with the intent to defraud or use under false pretenses. Collusion is defined here as helping other students engage in acts of academic dishonesty, whether the student involved obtains any direct academic advantage from these acts. Plagiarism is defined here as the submission of the ideas, words, or artistic productions of another, without giving due credit or when attempting to falsely represent them as one’s own.

POLICY ON THE USE OF ARTIFICIAL INTELLIGENCE TOOLS:

In this course, you are not required to use any form of Artificial Intelligence (AI) tools such as ChatGPT, Gemini, Copilot, etc. However, if you choose to use any AI tools as part of your assignments—other than for brainstorming, proofreading, etc.—you must provide proper citation. We use APA citation format in all of our CJ courses. For more information about proper APA citation, please visit [SRSU Library Teaching and Learning Guides](#).

Using AI tools to complete any assignment without proper citation violates academic integrity and will be considered a form of plagiarism, which is a violation of the SRSU Academic Honesty Policy under the [Student Handbook](#). If you are unsure whether something is considered an AI tool, please check with your instructor.

You are permitted to use AI tools for spell check, grammar check, and proofreading. Rephrasing sentences or reorganizing paragraphs you have drafted yourself is also allowed. However, remember that the most important part is that all work you submit must be your own. You should never include anything in your assignment that was not written directly by you without proper citation. **DO NOT** copy and paste directly from any AI tools.

APA STYLE:

This course will use the American Psychological Association (APA) formatting and style guide for all written assignments. If you have any questions or concerns regarding the use of APA a number of resources have been provided below. Please note that all external sources must be appropriately cited. A failure to do so constitutes plagiarism and is a violation the course academic honesty standards. See <https://www.citationmachine.net/> and [SRSU Library Teaching and Learning Guide](#) for help with APA.
