Course Description

Welcome ED5309: Introduction to School Administration. My name is Lisa Estrada-Lopez, and not only do I have the honor to teach in the Educational Leadership Program, but I also serve as the Director of Principal Preparation and Outreach Programs.

In this course you will be provided with an overview of the school administrator's role that includes functions and duties of those who administer and supervise in the schools. Theory, policy development, the improvement process, executive leadership, instructional leadership, recruitment and retention, staff evaluation and professional development, diversity, culture, vision, and accreditation standards are also included.

Because this is the very first course you are taking in the Educational Leadership Program, the overview is more of a "snapshot" as to what you will explore more deeply as you progress through the program. In your subsequent courses, there will be a more in-depth view of many of the subjects covered briefly in this introductory course.

There are five (5) modules in this course. The first four (4) modules correspond to the Domains for Principal Certification in Texas. These domains are the foundation of the TExES 268 and TExES 368 exams, which you must take and pass to obtain certification as a principal in the State of Texas. In Module 5, you will develop the shell of your Portfolio which will serve as the summative assessment of what you have learned in the Educational Leadership Program. You will add artifacts from this and all other courses in the program, and then defend your portfolio in your final semester.

I am thrilled to meet you as you start the journey to becoming a principal and instructional leader in our schools!

Performance Standards, Goals, and Learning Objectives

ED 5309 contributes to the following TExES Competencies (PLOs - Program Learning Outcomes):
Students will learn the TExES Competencies in the following ways:

- Students will examine, analyze, and reflect on all the principal managerial functions that sustain the campus.
- Students will examine the functions of human resources, food services, transportation, budget, class scheduling, and safety, and how these managerial functions affect student learning.
- Students will know how to apply principles of effective leadership and management.
- Students will know how to apply principals of leadership and management to the campus physical plant and support systems to ensure a safe and effective learning environment.

DOMAIN VI-ETHICS, EQUITY, AND DIVERSITY

- **Competency 11-The beginning principal knows how to provide ethical leadership by advocating for children and ensuring student access to effective educators, programs, and services.**
- Students will know how to communicate and collaborate with all members of the school community, respond to diverse interests and needs.
- Students will learn the importance of diversity and meeting the needs of all learners.
- Students will know how to act with integrity, fairness, and in an ethical and legal manner.

ED 5309 contributes to the following Student Learning Outcomes (SLOs):

Upon successful completion of this course, the student will be able to:

1. Fully understand the Principal Preparation program and all the components that are needed to successfully complete the program, graduate, and become a successful principal.
2. Students will create an authentic artifact, a Portfolio, which will serve as a Summative Assessment of their acquisition of knowledge throughout the program. Students will analyze and reflect upon their assignments as they prepare for their Portfolio Defense.
3. Understand the components of the principal portfolio and how to develop and add material to your portfolio. You will also need to understand what will be expected of you to defend your portfolio.
4. Reference the TExES Preparation Manual (068) for Principals and be fully aware of the Standards and TExES Domains/Competencies.
5. Understand the role of the school leader as an instructional leader.
6. Develop a philosophy of education and school learning.
7. Understand the role and theory in improving supervisory practice.
8. Develop an understanding of school leadership and its importance.
9. Develop leadership skills and the ability to recognize and analyze leadership models and theories.

10. Understand barriers to communication and develop skills to improve motivation, collaboration, and communication in the school system.

JOB SKILLS:

Students in the Educational Leadership Program are working towards a degree and/or certificate that will qualify them for administrative positions in the K-12 school system. The job skills taught in this course will enable students to execute the administrative skills outlined in the Principal Standards above.

Attendance Policy

Distance Ed (Web-course) Non-Participation Statement

Policies in effect for on-campus, traditional classroom instruction courses also apply to students enrolled in distance education courses, including Web-based and ITV courses. The University allows a maximum of 20% absences in a course before an instructor may drop a student for excessive absences with a grade of "F". In distance education courses, this policy is interpreted as non-participation; once a student has been documented as non-participating for more than 3 weeks of inactivity during a long semester or 1 week of inactivity during a summer session, the instructor may drop the student from the course with a grade of "F". Non-participation and inactivity may include not logging on to the course, not submitting assignments or participating in other

assigned activities as scheduled, not communicating with the instructor by phone or email, and/or not following the instructor's participation guidelines stated in the syllabus.

Assignments and Grades

Grading Policy

Students must complete all Practicum required hours, meetings, and paperwork.

1. No late assignment will be accepted after its due date without prior instructor consent.
2. All citations should be formatted using the American Psychological Association (APA) manual.
3. Extra credit points are not available.
4. ***There are no I's (incompletes) for this class unless you have a serious illness or family emergency.***
5. After 11:59 pm on the date for any assignment due is considered late.
6. There are no optional assignments in this course. All assignments must be completed to pass this class. Even if an assignment is so late that it will receive a "0", the student must turn in the assignment to pass the course (regardless of number of points accrued in the course.)
7. Students who fail to participate in Discussion Board or complete any assignment may not pass this course.

Grading Scale

100-90% equate to an A
89-80% equate to a B
79-70% equate to a C
69-60% equate to a D
59-50% or less receive an
F

"Cs" are not accepted in this program. Students scoring below a "B" in this course will be required to repeat the course to remain in the Educational Leadership Program. Changing the rotation by repeating this course will delay completion of the program as the program is sequential and the rotation must be followed.

It is the student's responsibility to make sure he/she is officially enrolled in this course. If, at any point, you decide to drop the class, it is *your* responsibility to officially drop. Any student who stops participating in the course and does not officially drop the course will be given an "F" as the semester grade. **Wednesday, September 11, 2024, is the LAST DAY to DROP this course without creating an academic record!**

Blackboard and Online Access

This class is taught online. Students will need an active Sul Ross account to access the course website through Blackboard. This site will have announcements, calendar, and learning modules, among other things. Students will meet for class via video conferencing software. Students must have a microphone and camera.

Learning Environment & Grading Policy

Successful completion of an online course requires dedication and constant effort. Do not fall behind in your work! Begin your assignments as soon as possible and get at least one module ahead. This will help you avoid the penalty for late work because there are always unforeseen events that arise. Submit professional quality work. Have someone proofread your submittals and always use the grammar and spell check functions on your computer before submission.

If you are not sure what plagiarism is, please read APA pp. 15-16 and 170, or ask during office hours. But remember, the ultimate responsibility is your own. When in doubt, err on the side of caution.

Internet Web Resources

The sources below are only convenient starting points for your Internet based research. You are expected to locate professional, **peer-reviewed** publications as reference material on papers submitted in this class.

Sul Ross Library recommended databases include the following: Academic Search Premier, Dissertation Abstracts, Education Abstracts, Educator's Reference Desk, eLibrary Curriculum, Emerald Management Xtra, ERIC (from EBSCO), Professional Educational Development Collection, WorldCat, WorldCat Dissertation & Theses.

Format Requirements for Submittals

All submittals must be professional papers. Do not submit your assignments in a "homework" or "school assignment" format. Each submittal should be written as if it were an actual professional paper ready for publication or for transmission to the addressed recipient using APA.

A title page is not necessary. Put a single-spaced heading in the top left corner of the first page only that provides: student name, date, assignment name and number. Also, put your name and the assignment number in the document's file name. (To do this, click on "Save as" and under "File name" put your name and assignment number.)

Academic Integrity

All students are expected to demonstrate scholarly behavior and academic honesty in the use of intellectual property. Examples of academic dishonesty include but are not limited to

- Turning in work as original that was used in whole or another course and/or professor
- Turning in another's work as one's own
- Copying from professional works or Internet sites without citation

Any of the above offenses will result in a zero for the assignment with no option to redo for credit.

Supportive Statement

I aim to create a learning environment for my students that supports various perspectives and experiences. I understand that the recent pandemic, economic disparity, and health concerns, or even unexpected life events may impact the conditions necessary for you to succeed. My commitment is to be there for you and help you meet the learning objectives of this course. I do this to demonstrate my commitment to you and to the mission of Sul Ross State University to create a supportive environment and care for the whole student as part of the Sul

Ross Familia. If you feel like your performance in the class is being impacted by your experiences outside of class, please don't hesitate to come and talk with me. I want to be a resource for you.

Students With Special Needs

Sul Ross State University (SRSU) is committed to equal access in compliance with Americans with Disabilities Act of 1973. It is SRSU policy to provide reasonable accommodations to students with documented disabilities. It is the student's responsibility to initiate a request each semester for each class.

Alpine students seeking accessibility/accommodations services must contact Mary Schwartze Grisham, M.Ed., LPC (Licensed Professional Counselors), SRSU's Accessibility Services Coordinator at 432-837-8203 (please leave a message and we will get back to you as soon as we can during working hours), or email mschwartze@sulross.edu

Our office is located on the first floor of Ferguson Hall (Suite 112), and our mailing address is P.O. Box C-122, SUI Ross State University, Alpine. Texas, 79832.
