Group work through discussion board forums will be used to evaluate the understanding of the assigned readings as well as the final day of presentation feedback.

Class Participation

Appropriate participation in discussions, activities, and role play will be an integral part of the learning process; respectful and professional conduct in the classroom is expected. Always be mindful of Confidentiality. We must always respect information shared in our class.

Project and Written Assignments

Complete, discuss, and respond to readings and assignments on emotional intelligence, emotional human behavior, and emotional learning for career and life success through discussion boards, assessment process and debriefings.

Complete assigned Assessments given to you to include the Emotional Intelligence assessment, the Quality of motivation questionnaire, the Hartmann Assessment, Values and Behavior assessments, as well as the SIRSI spiritual intelligence assessment. Plan, organize, and participate in individual presentations on selected topics. Complete, score, profile, and interpret your results from the Emotional Skills Assessment Process (ESAP).

Construct an action plan to improve your areas of concern.

Apply theories to assigned videos through discussion boards.

TAP Paper 30%

All Students will be required to write a Theoretical Application Paper – There is an example of the paper on Blackboard as well as rules for the paper and presentation.

Presentations 20%

All Students will share their own Plans for improvement during our Blackboard collaborate meeting. A PowerPoint presentation summarizing your plans for improvement will be used in your presentation. There is an example on blackboard

Although you are able to pull from other theories to support your overall plan for improvement, the bulk content of your final paper and overall plan should come from your specific assessments, the emotional intelligence textbook, resources provided, and all other information covered in this class.

Note: I will no longer accept work related schedule conflicts as excuse for missing the Presentations.

Confidentiality is to be observed and respected throughout this course.

Note: Grades are earned based on the quality of the work completed. Late assignments are not accepted.

All written assignments must follow the writing style found in the Sixth edition of the American Psychological Association Publication Manual (APA Manual). See *American Psychological Association Publication Manual* <http://www.apastyle.org/stylehelper/>
