### **Academic Integrity**

Sul Ross State University has a Code of Academic Integrity, which prohibits, among other things, cheating on exams, plagiarizing papers or portions of papers, submitting the same paper for credit in two courses without authorization, buying papers, submitting fraudulent documents, forging signatures, and using unauthorized study aids (including old quizzes and exams). This class abides by that code.

### **Grading System**

This class uses an accumulative points system. There is no averaging of the assignment results. There is no dropping the lowest score. It is a simple accumulation of points, the more points you earn the better your grade. The syllabus tells you the value of each assignment and the target ranges for the semester grades. This allows the student to follow their grade point total and calculate exactly how many points are needed to score the desired grade.

### **Point Value per Assignment**

- 1000 points - 10 Chapter Quizzes – 10 assignments @100pts each
- 100 points - Get to Know You Speech
- 100 points - Exam #1
- 100 points - Exam #2
- 100 points - Informative Information Packet – 4 assignments @25pts each
- 100 points - Informative Rough Draft
- 100 points - Informative Speech Delivery
- 100 points - Manuscript Reading
- 100 points - Persuasive Information Packet – 4 assignments @25pts each
- 100 points - Persuasive Rough Draft
- 100 points - Persuasive Speech Delivery
- 100 points - Impromptu Speech
- 100 points - Final Exam

### **Total Points - 2200**

- A = 2000 - 1800 points
- B = 1799 - 1600 points
- C = 1599 - 1400 points
- D = 1399 - 1200 points
- F = 1199 points & below

### **Extra Credit**

Extra credit work is not necessary, as there are already enough points within the normal assignments that exceed the required total for the maximum grade.

## **Pitch Vantage**

*PitchVantage* is a speech simulator (with a simulated environment and audience) that records video and audio of your practice sessions so that you can watch and hear yourself. The cloud-based software also automatically analyzes the tone of your voice, your pauses, your pace, and several other delivery elements, provides both real-time and instant follow-up feedback to help you identify weak points in your delivery, and makes suggestions on how you can improve them. The best way to use this tool is to practice, pay close attention to the feedback, review your videos, and apply the feedback in your next practice. To improve your speech delivery, you must practice anyway; you might as well do so using a tool that gives you feedback about how to improve. This interactive approach has shown to more rapidly and dramatically improve your skills than practicing without feedback.

How to register: look for a registration link in Blackboard under your course section.

If you run into any issues, please check the support website for solutions or reach out directly to PitchVantage at [support@pitchvantage.com](mailto:support@pitchvantage.com).

## **Homework**

Each Chapter section will have a Chapter Quiz that needs to be completed. This is designed to help you process and retain as much of the chapter information as possible.

## **Exams**

Exams will include assigned reading and Chapter Quizzes.

The questions will likely include a mix of True/False, multiple-choice, and fill in the blank.

All exams will be done through Blackboard.

## **Get to Know You Speech**

This assignment has two very important objectives. The first objective of this assignment is to get you familiar with the PitchVantage software program we will be using throughout this class. The second objective of this assignment is to build your confidence when speaking publicly. Building your confidence begins with an opportunity to practice and by using a topic you should know something about ... yourself. Using the PitchVantage tool and an easy topic, let's get started.

1. What's your name?
2. Where are you from?
3. What do you do for fun?
4. What is your major?
5. What is your biggest fear?
6. Who/what inspires you?
7. What was your most embarrassing moment?

### **Oral Reading**

You will need to select a piece of literature, poem, sonnet, song (within reason), or a selection from a speech. The purpose of this assignment is to continue to build your confidence and comfort levels when speaking. Your selection, when read, must not exceed three minutes and must be at least one minute in length. Points will be deducted for reading from a screen or a textbook. Presentations will be made through PitchVantage. Your presentation must include your face being visible while you are speaking.

### **Informative Speech**

This will be your first of two major speeches. For this speech your specific purpose will be to inform the audience on a particular topic. You will be required to speak for at least 4 minutes, but no longer than 7. For every 30 seconds you speak over 7:30 minutes (e.g., I give a 30-second pad on the back end), I will deduct 10 points from your grade. For every 30 seconds you go under 4 minutes, I will deduct 10 points from your grade. This rule applies to both major speeches. You are required to verbally cite a minimum of three credible sources. Presentations will be made through PitchVantage. Your presentation must include your face being visible while you are speaking.

### **Persuasive Speech**

This will be your second and major speech. For this speech your specific purpose will be to persuade the audience on a particular topic. You will be required to speak for at least 4 minutes, but no longer than 7. You are required to verbally cite a minimum of three credible sources. Presentations will be made through PitchVantage. Your presentation must include your face being visible while you are speaking.

### **Impromptu Speech**

There are four different modes of public speaking: 1) extemporaneous, 2) manuscript, 3) memorized, and 4) impromptu. Impromptu speeches involve little or no preparation. For this speech, I will assign you a topic. Your speech must be persuasive. Presentations will be made through PitchVantage.

**ALL SPEECHES MUST BE COMPLETED AND DELIVERED TO PASS THE CLASS.  
ONE MISSED SPEECH PRESENTATION WILL RESULT IN AN AUTOMATIC  
FAILING SEMSTER GRADE.**
