Please be aware of the due dates for each topic and its corresponding quizzes. Furthermore, you may watch lecture videos multiple times, **but the system grades only your first attempt.**

#### **Exams** (70% of your course grade; midterm exam 30% and final exam 40%):

The course consists of two exams, each comprising multiple-choice and short-essay questions on the covered topics. The midterm exam covers topics from Topic 1-1 to Topic 1-10, while the final exam covers topics from Topic 2-1 to Topic 2-10. Please ensure you watch the lecture videos and complete the topic quizzes before taking the exams.

**Extra Credit Assignment and Pop Quiz** (Extra credit):

A number (to be determined by the instructor) of unannounced quizzes and extra assignments will be given occasionally. The score will be added to your course grade as extra points. However, please note that I will not offer any personal extra credit opportunities to individual students.

**Attendance and Participation**

This is a web-delivered asynchronous course. I do not take attendance, but I expect that you will watch all the lecture videos and complete each topic quiz on time. Additionally, I will occasionally administer pop quizzes as extra credit, so watching the lecture videos will enhance your chances of success in this course.

**Grade Scale**

Your points: Topic quiz scores  $\times$  0.3 + Midterm Exam  $\times$  0.3 + Final Exam  $\times$  0.4 + your total extra points earned. Your course letter grade will be determined based on the following grading scale:

This class will foster free expression, critical investigation, and the open discussion of ideas. This means that all of us must help create and sustain an atmosphere of tolerance, civility, and respect for the viewpoints of others.
