Please provide any additional comments you may have about Sul Ross State University

I think it would benefit the education pursuing students greatly if education classes would be offered in the evening as well. Many of the education classes are early in the day only and it greatly conflicts with the working population.

face to face classes although more challenging to those students w/time constraints and other commitments are much more beneficial to the student vs online courses.

Dr. Stock is the BEST!! She made me enjoy my career at Sul Ross! Thank you for everything Dr. Stocks y'all are great

My instructors Dr. Urbina and Dr. Wynnewere amazing. I couldn't be happier.

not much else to tell. Sul Ross was an amazing college to go to and I was satisfied with my experience.

My experience at Sul Ross State University was excellent. I liked the teachers, staff, and everyone working there, they were always helpful and nice to me.

My experience here was great thank you for all the help.

Thank you for helping me grow.

Good teaching and advising

Sul Ross State University is a friendly and easy-going University for those who want to achieve a higher education after SWTJC. I personally believe that Sul Ross will be one of the many and greatest universities for new comers who would want the success in their near future.

I loved my instructors both Dr. Wynne, Dr. Culver. and Dr. Urbina, their passion towards student success allowed me to fall in love with school and motivate me to reach my goals.

No additional Thanks to all counselors who give me support to finish my career with my disabilities

The distance learning needs to be upgraded

SRSU was a giant learning experience where I ___?___ my academic abilities and individual growth.

I had a very positive experience w/ SR/RGC! Thanks for everything.

I was very happy with Dr. Wynne as I was going with my divorce he made sure I didn't give up. It's nice when we can become family.
