WEBSITE

SR | **SUL ROSS**
WEB SERVICES

Do you need to request a change/correction be made to the main site?

Need to add a graphic, link, or information regarding an upcoming event?

Are you in need of a webpage/blog for class/project information that you can manage?

A quick & easy guide to submitting a web request

1. Access the web services site on SRInfo [here](#).
2. Once you have logged in, click the red button labelled "Web Request Form".
3. Select the type of request:
 - * A web page edit or update,
 - * A website or webpage I can edit myself,
 - * Other
4. Add the description of your request, including the URL and any other important info/attachments.
5. Submit the form.
