

# HOW TO CREATE A WHAT-IF

1. Go to main page and log in to “mySRSU”

2. Access Degreeworks the same as before, either through the work tab or your bookmarked Degreeworks card.

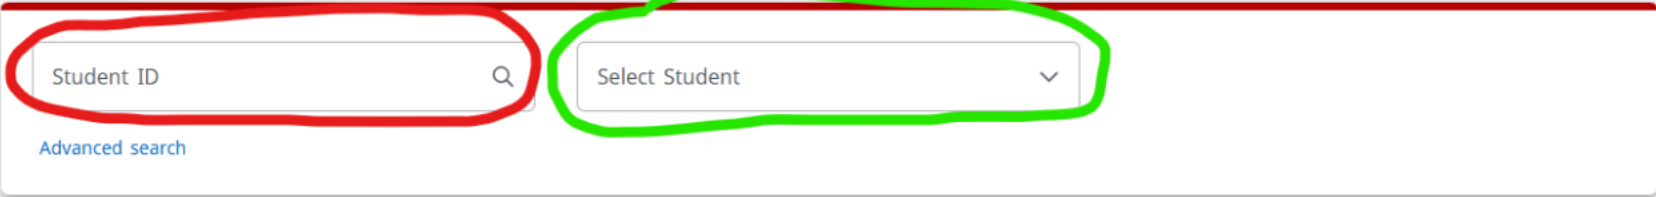

3. Look up the student using the **Student ID (A#)** or **your list of assigned students**.

**Sul Ross State University Worksheets**

Student ID

Select Student

[Advanced search](#)

4. On the student's degree plan, click on the **What If** tab.

#### Degree progress

100% 100% Overall GPA 2.617

Requirements Credits

In-progress classes  Preregistered classes **PROCESS**

5. Here you can look at different major, concentration, and minor options the student might be interested in.

Academic **What-If**

### What-If Analysis

Use current curriculum  In-progress classes  Preregistered classes

**Program**

Catalog year \*  
2020-2021

Program \*  
BS Biology

Degree \*  
Bachelor of Science

College \*  
Ag Life and Phys Science

**Areas of study**

Major \*  
Concentration  
Minor

**Additional areas of study**

**Future classes**

Subject Number **ADD**

**RESET** **PROCESS**

6. Once all has been selected, click the blue process button. This will then allow you to see the student's degree with the newly selected major, and concentration/minor if they are required.
