What is the purpose of this committee?

- Student Reps? **Be thinking on this**

Updates from summer and fall

- Request for Information for ESA policy reviewed
- April 2024, The Department of Justice released updated regulations on Title II of ADA with new requirements for web content and mobile apps that they are accessible to people with disabilities
- Dual Credit Students now setting up accommodations through our office if the instructor is hired by SR. If the instructor is hired by the HS the student will work off of their 504 Plan.
 - Financial/Banner challenges, still no access to spending to pay Susan Matterson/Retired OCR and our office poc on CE and real time problem solving.
- Disability Pride Month – June
- Educational Ideas 2025? **Suggestions;**
 - **Akica T, bring back Lawyer Brian East for online training**
 - **Invite Dominick Percoco to speak on changes in Title II requirements for web and mobile apps**

New Business?

- **Concerns with campus expansion into downtown Alpine. In consideration of students with disabilities and able-bodied students without a car, will these locations be accessible? What is the planning committee's consideration of transportation challenges?**
- Next Meeting? **February 20th, 2pm via Teams**

f/u notes for next meeting: Mary emailed VP Ben Telesca regarding transportation to new downtown Alpine campus and received the following:
Transportation has been considered in the same way it has been for ANRS.

Mary will follow up with Ben to find out if there is additional information to report to the committee.
