

# PRESIDENT'S COMMITTEE/TEAMS ANNUAL REPORT

2021-2022 Academic Year

Committee Name: Professional Development Committee

Number of meetings held: 1 full-committee meeting, several smaller group meetings

Meeting Dates: 2/3/22

Briefly summarize primary activities and accomplishments for the year (2021-2022):

This committee was established in later 2021, and membership has been difficult to keep with staffing changes on campus (losses: Robert Munoz, Dean Wilkinson, additions: Suzanne Harris, Betse Esparza).

We determined that we would work on faculty and staff onboarding and examine the 12-hour requirement for PD for employees. First faculty onboarding was held during the week of 8/15/22.

Briefly summarize goals for the 2022-2023 academic year:

Faculty onboarding was achieved, now we turn our focus to developing a staff onboarding and then improving/revising faculty onboarding. Then, we'll work to be sure to have parity at all campuses with similar events and online versions. We also want to survey faculty and staff for suggestions for PD opportunities going forward.
