

PRESIDENT'S COMMITTEE/TEAMS ANNUAL REPORT

2020-2021 Academic Year

Committee Name: Academic & Administrative Advisory Committee

Briefly summarize primary activities for the year:

Approved in November 2018, this committee advises the Office of Institutional Effectiveness on practices and policies. Members attend SACSCOC meetings and read scholarship about assessment practices in order to promote an understanding of Institutional Effectiveness among their colleagues. Two subcommittees do specific projects: one assists with the annual Innovation Grants and the other assists with planning for the Annual Peer Review. Members of the committee also support the La Vida Lobo Initiative.

Briefly summarize goals for the 2021-2022 academic year:

In 2022-2023, the committee will continue to support the following initiatives: the annual Innovation Grants through judging the entries; the Annual Peer Review of academic assessment reports; the Strategic Plan, the La Vida Lobo service projects, and the Campus Environment Survey. The committee will support work on the SACSCOC Fifth Year Report.
